

# DAVID'S PRIVATE BIRTHDAY PARTY

CONTINUED

**THIS PICTURE** of me was a gift from the Laufer Co. Do you like it? It was taken at my first concert in Seattle! It's special to me and I feel so honored!

**I WAS DELIGHTED** when I found my roommates Sam Hyman and Steve Ross at my party. They helped open the gifts. I'm sorry that this scuba gun came without a name.

**TIME OUT FOR CAKE** and 7-Up, and a toast to you for making this the happiest birthday of all. I never expected such love from you. How can I thank you?

**TB SPECTACULAR EDITOR Sharon Lee** gave me this poster of the late, fantastic Jimi Hendrix! I'm going to hang it in my den! Gosh, Laufer's editors are so wonderful!

**THANK YOU** Tracy Dellomo, Lynn Hinaman, Tami Goldsmith, Marsha Vozza, Nancy Russell and especially to all of YOU for the gifts, thoughts and cards that mean so very much to me! I wish I could give you all a personal thank you kiss for making me the luckiest guy in the world! Thanks to all for coming.

**ANN MOSES GAVE ME** several jars of dry roasted cashews and FaVE's Laudy Powell gave me a supply of 7-Up!
