DEAR READERS:

I want to thank each and every one of you for your thoughtful letters. I love reading each and every one of them. Time and space make it impossible for me to answer each one personally, but your likes and dislikes and your opinions are given careful consideration here at Tiger Beat. Whenever you have a suggestion, a criticism or just want to sound off about something, drop me a note. I love hearing from you!

SLIPPERY HEART

Last March I went with my family to see the Osmond Brothers at Caesar's Palace. They were so super fantastic! I've never seen anybody perform as well as they do. When Donny did his own number, "Sweet and Innocent," my heart just went down to my toes! And then when all of the Osmonds did their own thing, it really made the show! My father met Alan and said he was the nicest person in the world! The Osmonds are even more adorable in person than they are in pictures!

ENTHUSIASTIC SHOW

I just saw Bobby Sherman in concert and I want to thank him for such a good show. If it weren't for the bruises I'd have sworn it was all a dream! People were standing on their seats to see the show, and people of all ages were grooving. A man around 45 was flashing Bobby the peace sign, and a grandmother came with her little grandchildren ages two to four! Bobby lived like a king, and that's just what he is!

Dear Ann,

I'd like to thank you for your articles about the Osmonds. They're the grooviest group around! Please print more on them, especially pin-ups. I have wall-to-wall Osmonds now, but I'm always looking for new pictures!

FAVORITE BOOK

I received the book "1001 Facts About the Partridge Family" and wow, it was fabulous! You really learn so much about them that you never knew before. Thanks so much for putting out such a great book.

Dear Readers,

You, too, will be overwhelmed when you learn all the fax on the personal lives of the Partridges! To get your own copy, see page 39 and send in today!

NO GAP AT ALL

I just had to write and say there isn't a big "generation gap" here anymore. To prove it, my mom saw the Osmonds in person and loved 'em! This was two years ago in Las Vegas, and she still feels the same. She loves the Partridge Family too!

Love & peace,
 Partridge & Osmond fan

HUNG ON DAVID

David Cassidy is my bag! I enjoy reading Tiger Beat because so many pages have David Cassidy's pictures on them. Last week I received my love stickers. You should see my room and walls—it looks like David Cassidy flew by and left his prints on the walls! My favorite song is "I Think I Love You" because, David, I think I love ya!

FIRST AGAIN!

I was watching all the magazines to see which would have first word on Bridget Hanley and her baby and you came out first again! Long live TIGER BEAT!

Peace,
 Margaret

IT'S ABOUT TIME!

It finally happened! The top two teen idols of the nation were on the same television show. Bobby Sherman guested on David Cassidy's show, "The Partridge Family." These two guys got along great, so why can't their fans?

Dear Ann,

I simply adore Mark Lester, but when I saw a recent issue of TIGER BEAT with him in the Memory Book I wondered why he was featured there. Is he considered an old timer to you already?

Donna Ohana
 Queens, N.Y.

Dear Donna,

When we first introduced our "Memory Book" section several months ago, I explained in "Behind The Scenes," that we were having this special feature so you could build your own "memory book" or a collection of all your faves' pictures and statistics. Each month we feature two faves—sometimes past faves, sometimes present faves, sometimes future faves. We mark the photos so you can clip the hole and put them in a special "memory book" notebook or clip them right into your school notebook. Remember, just because you see a fave in that section, it doesn't mean he's a has-been! Not by a long shot!

LETTER TO DAVID

Dear David,

Even though you are 100 months or 1,877 days, or 45,048 hours or 2,702,880 minutes, or 162,172,800 seconds (I think) older than me, I still think you're great!
