

PARTRIDGE *fan club* NEWS

EXCLUSIVE

Each month read all the fan club news about the Partridge Family right here in Cecilia Bonaduce's column!

As the poet once said, "One swallow doesn't make a summer," but five Partridges do make a fall season. In fact, they're making it right now. All the Partridges and a Kincaid are back at the studio once more.

The biggest, and certainly the happiest news this month is the return of **JANE JOYCE**, Susan's roommate and one-time guardian. You may recall that Jane went to Ireland for a semester. Well, she's back in Hollywood, much to Susan's delight, and will be an active member of the Partridge group again, as Susan's stand-in.

Because Susan was living in New York for a few months, she found herself homeless on her return to California for the new TV season. While Susan and Jane were house hunting, they stayed with the Bonaduces. Those girls don't believe in wasting time, believe me! Susan ordered her new car from New York, and it was all ready for her the day she arrived in L.A. They were only on the scene three days before they had a house in the Hollywood Hills all picked out.

DANNY AND David share a laugh.

And speaking of busy Partridges, Danny hasn't exactly been standing still this hiatus either. Two weeks ago, Danny and my mother went to Augusta, Georgia, to participate in "The Wonderful World of Scouting." Although Danny loved the fair, he really didn't get to see much of it, considering that he signed autographs all day. He said he kept track of the number of autographs he signed, and it came out to 216 in one hour!

Suzanne Crough has started an interesting new hobby. She's collecting all the misspellings of her name by fans who write to her. Suzanne just started the collection, but it's off to a great start with "Susan Kroe",

I'm sure you've all heard the Partridges' latest hit single, "I'll Meet You Halfway." I think that it's probably the best one yet. David seems to be getting better and better all the time, doesn't he? (I bet you didn't think it was possible.) "I'll Meet You Halfway" is the second hit single from the Partridges' second album. "Doesn't Somebody Want to Be Wanted" was the first smash.

Dave Madden has a contagious disease, and some of his friends, (namely us) have caught it. It's the photography bug. One day last week, Dave was over at the Bonaduce's house for dinner (we run a very busy establishment at my house), and he invited the Bonaduces and a few friends down to his beach house for a few tips on taking pictures. To begin with, Dave's house is a perfect location for photographers. The grounds and the beach are absolutely breathtaking... unfortunately, most of our pictures didn't quite do the surroundings justice.
