It looks as though **THE RAIDERS** might have their first single hit record in a couple of years. I sure hope so, 'cause I'd like to see them in action again. In May **MARK LINDSAY** went on tour with **THE CARPENTERS**. At the same time **UNCLE PAUL** and a friend made a motorcycle trip around the U.S. to do promotion work on their record "Indian Reservation." Was **MARK** surprised when **PAUL** showed up in Charlotte, North Carolina on the same day! **PAUL** had prearranged the whole thing, but **MARK** knew nothing about it and it was a really fun "practical joke."

SHORTIES: If you're lucky, you'll be seeing **THE JACKSON FIVE** in concerts this summer. Their 48 day tour begins on July 16 in New York City, ending in Hollywood on August 22... **FRANK WEBB** spent a few weeks visiting his relatives in Phoenix

Frank Webb

this spring... **RAIDER MIKE "SMITTY" SMITH** is thinking about moving himself and his family to Hawaii to live... **MITCH VOGEL** was super-excited when he visited our offices this month, having just returned from Medford, Oregon where he was the Grand Marshall in the "Pair of Blossom" parade. He also participated in a benefit show for crippled children. He said it was very rewarding...

BRANDON CRUZ and his family recently moved into a new home in the San Fernando Valley... **KEITH ALLISON** of the **RAIDERS** tested for the part of a Texan (which he is) for a major movie, but no word has been released yet on whether or not he got the part... **DAVID DOREMUS'** dog "King" (a Samoyed) is being trained by one of the top animal trainers in Hollywood, so the dog can start appearing in the movies and on TV...

Quite an honor was bestowed on **BRIDGET HANLEY** this month—her name was added to the most recent addition of "Who's Who In America."... I received a lovely postcard from **MRS. OSMOND** from Japan in which she wrote, "We went to see 'Elvis—That's The Way It Is' today and there you were! Hey, you were just great! **ELVIS**, too! Ha!"...

Maureen McCormick Barry Williams

For his May 4th birthday (he just turned 20) **JACKIE JACKSON** received an orange Datsun from his family as a present...

BARRY WILLIAMS' new hobby is skiing and he was able to make a couple of trips before the snow melted. So, he'll surf all summer and head back to the slopes next fall. Meanwhile he bought himself a Volkswagen Squareback (tan with black interior) so he can carry either surfboards or skis on the top... **BARRY'S** co-star **MAUREEN McCORMICK** traveled to Vancouver, British Columbia as part of her winning the "Dating Game"... Didjknowthat **OLIVIA HUSSEY** made one movie after "Romeo and Juliet" called "All The Right Noises" also starring **JUDY CARNE** (from "Laugh-In") and **TOM BELL**? Well, the movie was finally released in London on the day **OLIVIA** was being married in Las Vegas, April 17th, her birthday! Whew!...

In April **DESI ARNAZ, JR.** and his **PATTY DUKE** visiting **DESI'S** dad in Mexico for two weeks... **BRIDGET HANLEY'S** hubby **E. W. SWACKHAMER** has been signed to direct several of the Partridge shows this coming season. How about **BRIDGET** doing a guest role on one of them????... Watch for **SALLY FIELD** to guest star on "Marcus Welby, M.D." this fall. She'll play a set of twins!... Bet you didn't know that **JAMES BROLIN** has a groovy singing voice and that the "Marcus Welby" producers are trying to talk him into making his singing debut on the show some episode...

TINY TIM and wife **MISS VICKI** named their new baby daughter **TULIP VICTORIA KHAURY**... **SHIRLEY JONES** recently dedicated the site for her "star" in the Hollywood Walk of Fame. Her "star" (which is implanted in the sidewalk) will be at 1635 North Vine Street...

Janet Margolin Mike Cole,

Another of the "Brady Bunch" eager to get into singing is **MAUREEN McCORMICK**, who has decided to take singing lessons... When **MICHAEL COLE** and his **PAULA KELLY** finally decided to admit they'll be getting married sometime this summer, they asked that their friends NOT send wedding presents, but instead make a contribution to the Far West Children's Hospital in Manley, New South Wales, Australia. When he and **PAULA** toured Australia this spring, they were so impressed by the worthy institution that they vowed to raise funds for its support...

STEVE ROSS, **DAVID CASSIDY'S** house-mate and guitarist in his stage show, had his tonsils out in May... Speaking of **DAVID**, he was voted "Best Actor of 1970" and "Best Singing Star of 1970" by the Youth Council of Indiana...

See you next month!
