NEW '72 PARTRIDGE FAN CLUB

I just bought the Partridge Family's 3rd album. On the back it says to join the all-new 1972 Fan Club. I'm already a member of the club. Does this mean I'll have to join all over again? Please explain!

Partridge Lover

There is a brand new 1972 Fan Club Kit just completed for all Partridge fans. So many members of the original club wanted all-new material that the club was completely updated with brand-new material and a completely new recording of all the Partridges telling you their secrets, a new booklet, new membership card and huge new color poster of David Cassidy. If you joined last year's club and were pleased, this all new Partridge Fan Club should thrill you! It's an all-new happening for you to join again! SEE PAGES 54

LIKES HIM TOO

Please tell David Cassidy that even though I'm older than he is, I think he is great! I'm absolutely sure, without any doubt, that I love him, and I hope he likes girls older than himself!

START WRITING NOW

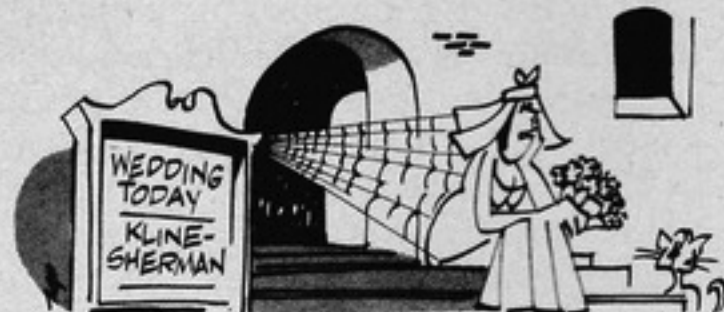

I think we are making a big mistake which should be corrected. When a great show comes on the tube which is a joy to watch, we don't let the networks know our feelings until the show is near cancellation. Then it's too late. This is what happened to "Here Come the Brides." Bobby's new show is bound to be a smash, but we have to tell Screen Gems and ABC while the show is on the air, before they have any doubts of its success. So when the new TV season begins, get out your pens and write! You can't expect to win the war if you don't fight. And only if you have the heart to try, do you have the right to complain.

SPEED IT UP!

Bobby, I'd advise you to speed it up. Time is wasting! The flowers have all died, the guests have gone home, the preacher is in the old folk's home, my dress is moth-eaten, the cake is collecting dust, my curls have gone limp, my tears won't stop falling, and here I sit in the lonely chapel in hopes that someday you might come.

RADIATES LOVE

You probably get thousands of letters everyday and get all kinds of requests to print pictures, but one I would like to see in your magazine is of Bill Bixby and Brandon Cruz. Those two people spread more real love in their show than all the others do in a week. They show that a generation gap need not exist. Please send my love to those two most loving people in the world!
