guess Suzanne will be spending her whole life trying to tackle it!

SUSAN AND JANE

Susan and her roommate Jane Joyce are busy trying to find a car for Jane. Susan just got a green Datsun a few months ago, but the girls decided that they need two cars.

Susan explained, "When Jane was my guardian, she had to be on the set all the time, so it wasn't any problem only having one car. Now that I'm eighteen, Jane can leave the set when she isn't working, and since she's my stand-in, we could come in at different times... IF we had two cars!"

Jane says that she's got her eyes open for any good car deals that come her way. She's hoping to get a Volvo, because "I like the lines of the car."

THE HAMSTERS ARE COMING!

One of the new Partridge episodes involves about fifty hamsters... maybe even more! The show begins with Danny, Chris, and Tracy buying two hamsters, who turn out to be mommy and daddy hamsters to a million little hamsters! You wouldn't have believed the chaos on the set the day the workmen brought in cage after cage of hamsters!

It was a Friday, and since the Bobby Sherman Show doesn't shoot on Fridays, all the hamsters were kept on his set! When a visitor would pop up on the set unexpectedly, it was hard to keep a straight face watching them stare at all the hamsters! You could tell that they were trying desperately to figure out what the Partridges were going to do with all those hamsters! One elderly lady visiting the set guessed that we must be having a contest.

"Well, you gave away David's puppies, I thought that you might be giving away somebody's hamsters!"

I thought that was a pretty good guess, even though it was wrong! I don't know where they even found that many hamsters!

THE MYSTERIOUS BUS

I've received a few letters from fans in the Southern California area, asking if there are two Partridge Buses. Yes, there are. The real Partridge Bus is kept on the set most of the time, with the exception of the filming of street scenes, and moving the bus from one studio to another. There is a second bus, however, that is used for publicity. You can tell the buses apart by a sign on the publicity bus that reads:
