# RUMORS HOLLYWOOD

Dear FaVE,

Did Susan Dey really marry one of the young directors of the Partridge Family show two months ago?

Timmy Stevens  
Canton, N.C.

Dear Timmy,

No! Susan Dey did not marry a director of the PF show. Susan is not married to anyone at all! She's enjoying her single status too much right now to give it up. Susan says that marriage is a very big responsibility and she's just not ready for it yet!

Dear FaVE,

My little sister was playing with a toy called the "See and Sing" and the voice used in the toy really sounded familiar. Then I saw "Brady Bunch" and my sister's toy and Maureen McCormick's voice matched! Am I right?

Johnny Humphrey  
Torrance, Calif.

Dear Johnny,

You get an "A" for excellent detective work! You're absolutely right! That's Maureen's voice in the "See and Sing" toy all right! Maureen is also Peppermint Patty's voice in the Charlie Brown TV specials!

Dear FaVE,

Someone told me that the reason Bobby Sherman's eyes look so blue is because he wears contact lenses to tint them a brighter blue than they really are! Does he wear contact lenses?

Simone Lantz  
Seven Hills, Ohio

Dear Simone,

Bobby doesn't wear contact lenses! His bright blue eyes are naturally deep blue—without any help whatsoever!

Dear FaVE,

Is it true that David has developed complications since his gall bladder operation in July? Tell him that me and my friends truly hope he's feeling ok!

Trudy Duran  
Tucson, Ariz.

Dear Trudy,

David has been in excellent health ever since the operation in July. He hasn't had any complications... and he wanted us to thank all of you who sent him all those thoughtful "get well" cards during his hospital stay! He said that your cheerful notes and cards really made him feel good!

Dear FaVE,

I've heard that Desi Arnaz, Jr. is going to have his own TV series soon! I hope this is true... I've been a fan of his for ages!

Amy Beth Watson  
St. Paul, Minn.

Dear Amy,

Right now, there are no plans for Desi to have his own TV series! But he's considered to be one of the handsomest and most talented young actors in Hollywood...so it wouldn't surprise us if he did get his own show someday!
