

JACKSON 5

Dear FLIP,

You've really got a super-duper magazine. Because I read FLIP, I've gotten to meet some really nice people. I wanted to meet 'em to see if they were as nice as you said they were! People like the Cowsills, Grassroots, Bobby Sherman and Neil Diamond are just like you say, and I wouldn't mind meeting them all again. But I've still got to check out the Jackson 5 and the Osmonds (and a few more). Of course, you and I know how nice lots of stars are, but don't you wish everyone did, before they put down some star?

Dear FLIP,

You've got some magazine! Your articles are great. I especially loved the article on Bobby Sherman and Wes Stern in the October issue. Your piggyback poster of Bobby Sherman was really something else. It's been some time since I've seen a centerfold of Bobby, and I'd like to thank you very, very, very much.

Dear FLIP,

Thank you for having a color pin-up of Bobby in your October issue. I have never seen such a great pin-up. Bobby looks perfect in it! Thanks again—it now hangs in a place of honor in my room.

Dear FLIP,

I just got the October issue of FLIP and I must say I am very proud of you. Let me explain. When David Cassidy came along he started to overshadow Bobby Sherman (my #1 fav). All of a sudden there were more and more articles on David and less and less on Bobby. I was beginning to lose faith in you. But when I opened this issue and saw the articles by Bobby and about his new show, I was very pleased. The very best thing was that poster in the middle. I took it right out and hung it on my wall!

Dear FLIP,

I don't think you'll print this letter, but I just want to say that all the girls who don't like Bobby Sherman are making a giant size mistake! David Cassidy and Donny Osmond are good, but they haven't got what Bobby's got. Oh, no! He's got a sexy smile, a great voice, a groovy wardrobe and the cutest face I ever saw. Besides, he's hanging all over my room. So girls, get with it. You don't know what you're missing!

Dear FLIP,

Everybody who hates Bobby Sherman ought to be hung by their ears! Bobby is a beautiful person. I hope he reads this so he'll know he has somebody to trust—me!

Dear FLIP,

We compared Bobby Sherman with David Cassidy, and we find that we like David's casual jeans and T-shirts better than Bobby's perfect and fancy apparel. We're not saying that David dresses sloppy; we're just saying we think Bobby Sherman should stop dressing for his fans and dress more for himself, like David.

Dear FLIP,

I don't know why David's fans write and talk about Bobby and Bobby's talk about David. They're both in my heart—I'd never leave Bobby or David.

Dear FLIP,

I never liked David Cassidy until now. Now I think he's super! It was the poster in your September issue that did it! Thanks a lot. Bobby will always be my #1 favorite, but there's no reason that you can't like them both.
