name David Bruce. Nobody knew who I was and I still got it. That was quite an ego-builder. Secondly, the whole deal of being in a Broadway show was quite impressive and exciting and I really learned a lot from it—even though it only lasted a couple of performances. And finally, it was kind of a round-about help to have been in a flop. Now I know that everything I do isn't going to be a complete and overwhelming success and I know how to take it."

There's no truth to the story that when "The Partridge Family" was being cast, studio executives didn't know who David was and that his step-mother, Shirley Jones, didn't know he was testing for the part of her oldest son in the series. David was already fairly well-known in his own right and as the member of a show business family. Both he and Shirley were asked how they felt about one another and if they thought they could work well together. Shirley already had her part, and since she and the studio brass thought David was the best auditioner for the role of Keith, he naturally got it.

"I was pretty glad to be working with Shirley," he confesses. "I think she's a great lady—a fine performer, a good wife and mother and a great friend. But I know she feels the same way about child actors as my mother does. Though I'm not a child anymore, I do think she was a little worried about my doing the show with her because of the influence it would have over my step-brothers, Shawn, Patrick and Ryan."

In the years that David's dad and Shirley have been married, David's developed a very strong and good relationship with her. In fact, some of his close friends seem to feel that David likes and respect Shirley more than any other woman he's met in his life with the exception of his own mother.

"She's always treated me as a person," he continues. "She understands my moods and my ideas and she's always been able to give me a boost of confidence when I needed it most. I know she's just as proud of my success as my dad and my own mom are. In the fifteen years I've known Shirley, we've come a long way together. And, you know, I've sort-of grown to think of her as an ideal woman."

Some say David considers her even more than that—his ideal woman. By that, they mean that she has many of the qualities he'd look for in the girl he'd someday marry himself. Finding a girl like the one his father married? That might be asking quite a bit. If he continues to search for someone exactly like Shirley, marriage might be along way off for him.

But there are a few girls in David's life right now who resemble his ideal in many ways. These girls possess some of Shirley's best qualities and that's what
