

# EDITOR'S INSIDE STORY!

by Sharon Lee

I've received tons of mail in response to our "Win a Script" contest I've been running here in this column! The winner will be announced in our next issue! By the way, you can still enter if you get your entry sent off today! Just send me a little note telling why you'd really like to win a Partridge script! Send it to PARTRIDGE SCRIPT, PARTRIDGE FAMILY MAGAZINE, 1800 N. Highland Avenue, Hollywood, California 90028.

I really think you're going to like this issue, we've got some exciting stories. You'll find out exactly what brings the Partridge stars up and what brings them down on page 20! There's also an in-depth quiz on the Partridge girls on page 14. Take it and see just how much you know!

What could be greater than wall to wall David Cassidy—in living color, too? Just turn to page 37 and find out how it can be yours.

If you haven't got your 3rd Partridge album yet, hurry and get it! It's sensational! David's friends, Sam Hyman and Al Rhodes dropped by the office to tell me the LP, called "The Partridge Family Sound Magazine," has sold

INTERVIEWING SHIRLEY JONES is not only interesting, it's fun too! Find out what we talked about on page 38!

over a million dollars worth of copies and has been declared a gold album!

That makes a grand total of 3. Imagine, every Partridge album has been a gold one! David and Shirley are very happy about it. So are we!

While we're on the subject of gold, David's single, "I Woke Up in Love This Morning" is on its way to selling a million copies too! I wonder what will be in store for us with their next album!

Back to this month's issue! On page 42 you'll find a story, a true one, that's going to make you stop and think. Perhaps you know someone who has helped bring Susan and David sadness. Many magazines print stories with titles like David Marrys, or about accidents and false illnesses, but certain stories have hurt David and Susan more than the rest.

It makes me feel really good to know that David and Susan and the other Partridges trust us and consider the Laufer Company people as "friends." They know that we print the truth!

David was very excited last week when he was asked to be on the Glen Campbell show! He invited me and photographer Kenny Lieu down to get exclusive pictures just for you! I hope you like the show as much as we did. We had lots of fun at the taping, and David is really a professional performer! Write and let me know what you think. Ok?

The Partridges are planning to take a hiatus for a couple of weeks, so be looking for our issue on their hiatus fun! We've really got some surprises for you—and more surprises too! You can win a phone call from the Partridge of your choice in our January issue! Just think, you can answer your phone one afternoon and hear the magical voice of David Cassidy, or Brian Forster, on the other end. Maybe you'd rather talk to Shirley or Susan? It's up to you!

Don't forget, I'm still collecting pictures for our Susan Dey look-alike contest. If you look like Susan, or you know someone who does, send along her name, age and address to Susan Dey Look-Alike, Partridge Family Magazine, 1800 N. Highland Ave., Hollywood, California 90028!

See you later,
