DEVOTED TO DAVID

To you, David, I give all my love,
You are more precious to me than the heavens above,
For you are the one deep in my heart,
If we were together I know we'd never part.

Please understand what I am trying to say,
To me you are my night and also my day,
Somewhere, somehow, I know my dreams will come true,
That will be the moment, David, when I meet you!

CRYIN' FOR BRIAN

Jeremy Gelbwalks was a darling boy and a wonderful actor—but Brian Forster—the first time I saw him I loved him so much that tears came to my eyes. Please don't leave the Partridges, Brian. Then it wouldn't be love and happiness that I'd be crying from.

IT'S GETTING BETTER

I'm so happy that "The Partridge Family" will be on for another year. The shows were so fantastic last year that I just can't wait to see how much better they are this year—if that's possible!

A BEAUTIFUL FAMILY

I'm writing about the whole Partridge Family to say I really dig them. As a girl, I must say a few words about David. He really turns me on, but not as an idol, but as a person. He seems to be a very happy guy, surrounded by people he loves and who love him. David is really a beautiful person. He loves his

work, and remembers to be thankful to the people who love and help him. There are so many things I'd like to say about him, but I guess there's not enough room. I just want to say one more thing: the Partridge Family is like a true family, a happy one, and one I adore.

SISTER SUE

I have always wanted to have an older sister. I think if I could have one, I would like her to be just like Susan Dey. We would talk "girl talk" for hours, and I would look up to her, and go to her with my problems. I just know Susan would be a wonderful sister and would really be able to give me great advice.

Dear L.J.T.,

Even though Susan can't be your real sister, how about letting her help you with some of your "girl" problems anyway? Just turn to page 61 and find out how to order her book, **BOYS, BEAUTY, & POPULARITY**. When you're through reading it, you'll feel as though you had that long talk with Susan!

HAPPY TO BE RED

I'm a red-head, and I used to wish that I had blonde hair, because I used to get teased a lot about being the only person in my family with red hair. But ever since I laid eyes on Danny Bonaduce's gorgeous mass of red hair, I decided that red is the most wonderful color in the world. I'm proud to be a red-head, and I've got Danny to thank for it!
