

# DAVID'S

Having the pleasure of talking face to face with one of my fans.

Going scuba diving in the adventurous and beautiful waters of Hawaii.

Being able to help a friend or member of my family with a problem.

Reading a warm, cheerful letter from YOU when I'm feeling down.

Walking on the stage for my opening song at a live concert.

## UPS

A walk along the shore of the beach on a cool, breezy evening.

Going for a long, scenic drive in the country with someone "special."

A lively discussion during an evening spent with good friends.

Taking a running dive into a cool swimming pool on a hot day.

Watching a good movie that really sets me thinking afterward.

## &

Seeing someone who does not appreciate how lucky he is to be healthy.

Being with a girl who talks so much that no one else can get a word in.

Seeing or being with a girl who has too much make-up on her face.

Not being able to help a friend or member of my family with a problem.

Having to perform in a room or place that has a poor sound system.

## DOWNNS

Trying to talk to ALL my fans when I know it's impossible.

Eating a big meal that just doesn't agree with my stomach.

Getting a flat tire when I'm really in a hurry to get somewhere.

Being so tired that I fall asleep while I'm reading my mail from YOU.

Being told a lie by someone who I thought I could always trust.
