

PARTRIDGE FAMILY
SECRETS CONTINUED
FROM PAGE 13

Q. My girlfriend told me that David Cassidy was on the Merv Griffin Show and his Dad Jack Cassidy was guest host! Is this true?

A. It certainly is, or was! David appeared on the show and sang a solo and also a duet with his Dad. But more surprises! Shirley Jones was on the show too.

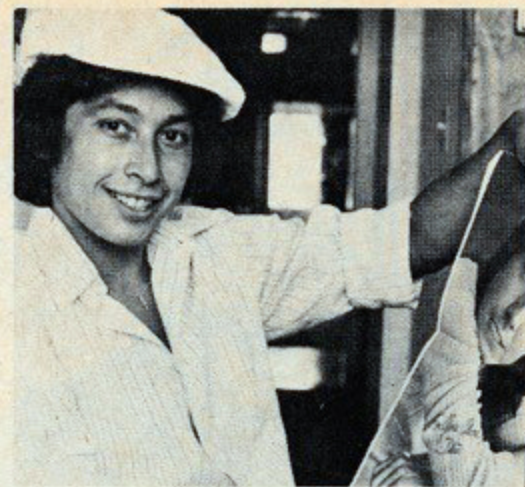

Q. Who is responsible for all the groovy hair styles and neat looking makeup the Partridge stars wear? Susan Dey always looks so lovely and Shirley's beautiful.

A. The Partridge makeup man is Mel Berns, Jr. He really does a great job. Look for a story by him on "Making Up the Partridges" in a future issue of Partridge Magazine. The Partridge Hairstylist is Jo Robicheau. Above, they touch up Susan before she goes on camera.

Q. I keep reading names like Steve Ross, Sam Hyman and Al Rhodes in various magazines and they all say they're David's roommates. Who is his real roommate?

A. When David first started working on "Partridge" his roommate was Sam Hyman. Al Rhodes (below) a great friend visited them a lot. Sam,

Al and David have known each other for about 10 years. When David moved to his new house in the late spring, Sam and Al moved in with him. Later, after they met Steve Ross, who does back-up guitar for David on his concert tours, he moved in, too, for a while, they are all such great friends and David's house was so big that there was room for all. But nobody was treated any different than the rest. The rent, food and other costs were split 4 ways evenly. Just a couple of months ago Steve moved out to his own place, so now it's Sam, and David. But, they're planning to move again! Keep tuned in to Partridge for the latest details on that.
