

GAIL POWELL, Hollywood Hair-stylist, fixed me up for my date with Michael Gray that night!

EVERYTHING KEPT HAPPENING SO FAST! After my evening at the Islander restaurant with Michael Gray, (He's so handsome!) I awoke the next day to find that I was to have lunch with the entire Brady Bunch at the Brown Derby!

THE OSMOND BROTHERS are fabulous! I got to meet their entire family and watch an exclusive photo-shooting for Tiger Beat Spectacular. Donny is a darling!

FINALLY MY BIG DAY arrived—the day I was to film my scene for Partridge! But first, time out for cake as Danny celebrated his 12th birthday! It was yummy!

I WAS SO NERVOUS when the moment came! I kept wanting to call David David instead of Keith during my scene! He gave me so much encouragement and was so wonderful that soon I was able to get it just right!

HEARING DAVID TELL me I did a great job was just the perfect ending to my stay in Hollywood! He kissed me goodbye and my feet must have been 10 feet off the ground! Thank you Laufer Company for a beautiful stay! 41
