## **SUMMER DAYS** Song by Tony Romeo

I feel the sunlight on my face  
When I just close my eyes and trace  
The footpath to your daddy's summer place  
Where we spent our summer days

The hill we climbed that went on forever  
We reached the top of the world together  
Yeah you gave your love to me  
And I remember perfectly

High above all time and space  
I remember summer days  
When you gave your love to me  
I remember perfectly  
High above all time and space  
I remember summer days

Come climb that hill again with me  
Come live that love again with me  
Baby, Baby, Baby, Baby  
Hold my hand and we'll be free

Yeah you gave your love to me  
I remember perfectly  
High above all time and space  
I remember summer days
