

ONE NIGHT STAND

Song by Wes Farrell and Paul Anka

Every night, a different town
I sing my songs
Play and sing—pack my things
And move along

Pretty face another place
I'll never get to know
One night stand, another show

CHORUS:

I wish that I could be two people
Instead of bein' on my own
I wish that I could be two people
And then I'd never be alone
A one night stand—a one night man

Oooo ooo ooo ooo ooo ooo ooo
(Repeat Three Times)

Goodbye—hello—I've got to go
I hope you understand
A one night man is all I am
A one night stand—a one night man

My guitar, a railroad car
A bus or plane
A choc'late bar—and there you are—
The price of fame

If I could do what I want to
I'd stay and never go
A one night stand is all I know

(Repeat Chorus)

Photographs of where I've been
And all I've done
In this whole world is there a girl?
No! Not one!

Goodbye—hello—I've got to go
I hope you understand
A one night man is all I am
A one night stand—a one night man

I WOULD HAVE LOVED YOU ANYWAY

Song by Tony Romeo

You know that I've been watching you
for quite some time
Trying to find a way of makin' you mine

Long before you started a'comin' strong
with me
With super charm that brought me
down to see

Hey didn't you know that you've been
actin' like a movie star
And didn't you think I'd dig the person
you are

No you really never had to put on all
that show
I decided when I met you long ago
oh—oh

CHORUS:

I would have loved you anyway
I would have thought you were fine
I would have taken you any day
I still would try to make you mine
I would have loved you anyhow
I would have thought you're okay

Just like I'm lovin' you here and now
Tellin' ya I'll never go away—go away—
So you never really had to put on all that show
I decided when I met you long ago oh—oh

(Repeat Chorus)

I WOKE UP IN LOVE THIS MORNING

Song by Irwin Levine and L. Russell Brown

Last night I turned out the light and lay down and thought
about you
I thought about the way it could be

Two o'clock wondrin' what I'm doin' here alone without you
So I close my eyes and dream you here to me

CHORUS:

And I woke up in love this mornin'
Went to sleep with you on my mind

BROWN EYES

Song by Wes Farrell
and Danny Janssen

Brown eyes you're beautiful
And you're all mine
I want you like you want me
All the time

Don't make me run away
'Cause I need that something
You bring me everyday

CHORUS:

And I know what I feel
And I know that it's real
And I feel it everyday
And I'm not gonna lay
No story on you girl
If my story wasn't true
'Cause you must know by now
I wrote this song for you

Brown eyes you're beautiful
And you're all mine
I know you want me
Like I want you all the time

And if you're not sure I love you
And there's something on your mind
Listen to the song I'm singing
I'll sing it one more time

(Repeat Chorus)

Brown eyes you're beautiful
And you're mine
Brown eyes I love you
All the time

Hello girl—yes it's five o'clock, I know, but just you listen
There's something that I've got to let you know

This is you, this pillow that I'm hugging and I'm kissing
And one more thing before I let you go

Do dreams come true
Well if they do
I'll have you—not for just a night
but for my whole life through

(Repeat Chorus)
