DEAR READERS:

I want to thank each and every one of you for your thoughtful letters. I love reading each and every one of them. Time and space make it impossible for me to answer each one personally, but your likes and dislikes and your opinions are given careful consideration here at Tiger Beat. Whenever you have a suggestion, a criticism or just want to sound off about something, drop me a note. I love hearing from you!

SWEETEST FAMILY

I think the Osmonds are the greatest group that ever happened! I'd like to tell you something about them that you'll probably find interesting. One of the D.J.'s out here was swamped with so many questions about the Osmonds that he decided to call them on the telephone and have his listeners hear the interview. They were all great! Alan answered most of the questions and Donny even took out time to talk to the D.J.'s daughter. The listeners were so impressed that there's a campaign to have the D.J. make another call sometime soon. I'll be looking forward to that!

HAPPY TIMES

I just saw Bobby Sherman in concert and he was the greatest! I had my eyes glued to the stage for 2½ hours! I had been dreaming of this event for a long time and made him some love beads in anticipation of it. Then when Bobby came out on the revolving stage I jingled them at him and he came off the stage to take them from me. When he kissed me I almost fainted! Please print lots more on him!

Bobby lover,
 Beth Brallier

CONGRATULATIONS

I want to congratulate and wish several people a lot of luck: The Carpenters for their groovy summer show, Brian Forster for becoming the new Partridge, Michael Cole on his wedding, David Cassidy for his beautiful concerts, and Bobby Sherman for his new series!

SUPER SLUMBER

Last night I had the most marvelous dream about Pete Duel. I dreamed we had eloped! Now I'm hoping that maybe there will be a little more to that dream than just a figment of my imagination because ESP has a tendency to run in my family! Wish me luck!

ROOM FOR ALL

Are you giving up on Bobby Sherman? Please don't. He's the best thing that's happened to us and we can't let him get away! I think there's room for both he and David in your mag as well as other faves.

Sunshine & happiness,
 Anne Saint

WHOLE LOTTA LOVE

I like Bobby, I like David, I like Jermaine, I like Merrill, but I LOVE Jack Wild!

FAVES FOREVER

I just wanted to write and say how much I dig your mag. It's really far-out! I especially love reading and seeing pictures of Brandon, Bobby and Ben. I love all of them!

SPLITSVILLE

The first time I ever saw David Cassidy and Donny Osmond and heard their voices I flipped! My heart is now in two sections—the right side for Donny and the left side for David. I'm just 11, which is too young for David, but not for Donny!

ANGEL ON EARTH

I hope my letter will be printed to tell everyone how popular David Cassidy is in Japan! I don't think there's anyone who isn't fascinated by him! I can meet David every month through TIGER BEAT, and I can tell from what I read that he is a real angel!

Love,

MOM SPEAKS OUT!

I hope there's room in your magazine for an "over 30" fan of yours to say a few words! My daughter, Anne, introduced me to your magazine and I enjoyed it so much I just felt compelled to write! The gorgeous pictures and wonderful articles about the beautiful young people of show business were a real treat. Believe me, I have your magazine to thank for bridging the so-called "generation gap" in my family!

UP TO DATE

TIGER BEAT'S the greatest! I bought a different teen magazine to see what it was like, and you wouldn't believe the pics in it. The ones of Donny were horrible! He looked just like a little boy of eight. I'll never betray TIGER BEAT! Thanks for keeping your material up to date!

HAPPY BIRTHDAY TO ME!

In July it was the day before my birthday and I had just bought a Tiger Beat. I sat down to read it and guess what! My Partridge Family Fan Club Kit came! Perfect timing!

Dear Cindy,

Glad we were able to make your birthday a little brighter! For those of you who'd like to celebrate Christmas early or make an ordinary day extra-special—why not join the Partridge Fan Club. Don't wait! Turn to page 42 now!

BEAUTIFUL PAIR

Recently I had the pleasure of seeing the Carpenters in concert when they came to San Francisco, and I can't begin to tell you how fantastic they were! If they're ever in your hometown, go see them. It's something you'll never forget!

SUPER BIRTHDAY PARTY

This year for Tito Jackson's birthday (October 15) my friends and I decided to have a party for him! In his honor we baked a cake, and made place cards and party decorations with his pictures smiling at us! Then we played the Jackson Five's records all day and really had a ball! It was so much fun that I think we'll be celebrating his brothers' birthdays too!
