

AS OUR PHOTOGRAPHER shoots his photos, David laughs at him! Can you imagine having someone photograph you, as you combed your hair in the morning? Kind of a weird experience!

IT'S IMPORTANT that David's hair look almost exactly the same each day because they may be working on a scene from the day before. That's why he washes it every day!

ALMOST FINISHED, David puts the last finishing touches on his hair. It's all dry now, fluffy, clean and looks super — don't you agree? Right on!
