DAVID GOES SOLO!

PETER & BETSY WED!

DUSTIN PLAYS

LENNY BRUCE!

DON'T LOOK for *The Partridge Family* as a singing group to come to your home town! When—and if—any of the PF-ers take off to do singing engagements, it'll be strictly solo. For instance, **David Cassidy** (backed by his own group) may very well (one of these days) be doing live singing concerts in major cities all over America. Same goes for **Shirley Jones** . . . **Jack Wild-Pufnstuf** lovers can see their fav-rave in the movies when the Krofft Brothers' full-length color flick *H. R. Pufnstuf* is re-released this Christmas in major cities coast-to-coast. . . . And just what is gorgeous **Mike Cole** doing with all those ladies—with his pants leg rolled up?!? This candid of Mike and the "Groovy Grannies" was snapped at a benefit Michael did almost a year ago to raise money for a kidney transplant for a young girl. Host for the occasion was **Jon Provost**. That's him on the far right in the picture showing the **Mod-Squad-ers**. . . . Carefully study the "look-alikes" pic on this page and see if you can guess who they are! Give up? It's **David Cassidy** and his sometimes steady—pretty actress **Judy Strangis**. Don't they look enough alike to be brother and sister?

Congrats to **Barry Gibb**, who married his long-time steady **Linda Gray** in late September . . . Same to **Peter Asher** and his long-time steady, beautiful **Betsy Doster**, who were wed in London late in October . . . Same for **Donovan** and his bride **Lynda Lawrence** . . . And same to swingin' **Stevie Wonder** and his bride, pretty songwriter **Syreeta Wright** . . . Surprise wedding of the year took place when handsome **Warren Entner** of the **Grass Roots** up and married his girl friend **Rosemary Frankland**, former *Miss World*, while on vacation in London . . . And, finally, congrats to **Bill** and **Karen Cowsill**, who are expecting their first-born any minute now . . . Same to **Mike** and **Phyllis Nesmith** (their third-born) . . . And same to **Darlene** and **Rob Grill**, who named their first baby **Grass Root-er—Jason**.

If you live in or around Milwaukee, lucky you—you got a chance to see ador-
