

FAVE FLASHES FAVE FLASHES FAVE FLASHES FAVE FLASHES BY JOHNNY JASON

The super-star cycle runs endlessly onward from the Beatles to the STONES to the MONKEES to BOBBY SHERMAN to DAVID CASSIDY! I never had the pleasure of knowing the first two intimately, I'd rather not discuss the MONKEES, and BOBBY will always be one of my favorites. and coconut! SHARON arrived in Idaho Springs, Colorado around midnight and couldn't find her room at the hotel the OSMONDS were staying at! Of course with the snow coming down and the weather in the 50's she was rapidly turning into an iceberg but ALAN OSMOND found her and escorted her to her room! SHARON had breakfast with the entire OSMOND FAMILY, including Mom and Dad, Jimmy and Marie, and then spent the day in the snow while the boys filmed! To quote her, "The OSMOND BROTHERS are five unbelievably beautiful guys. It's just too hard to put into

RICK ELY gets so much fan mail he's having a hard time keeping up with it. "I really try hard," he says!
