Dear Marcia,

Peggy has never appeared in Playboy—when she was modeling she did junior fashions.

Dear FaVE,

Is it true that Marlo Thomas and Ted Bessell are really boyfriend and girlfriend off stage?

Sherrie V.

Ft. Huachuca, Arizona

Dear Sherrie,

They have been dating each other, but it's anybody's guess how serious a romance it is—they aren't talking!

Dear FaVE,

Is Mark Lindsay married? To whom? Where can I write to him?

Celita M.

Montgomery, Ala.

Dear Celita,

Mark is still single and you can write him at Raider Enterprises, 9350 Wilshire Blvd., Suite 303, Beverly Hills, Calif. 90212.

Dear FaVE,

Is it true that Olivia Hussey went to Spain to visit Len Whiting? Please tell me if it's true or not!

F. B.

Torrance, Calif.

Dear F.B.,

No, it isn't true, although they have been very good friends since making "Romeo and Juliet."

Dear FaVE,

I thought I heard a rumor or an announcement that David and Linda Jones are getting a divorce. Is this true? (I know it isn't true, but my suspicions overpower me.) Please help me, fast, reassure me please!

O. L.

Lake Forest, Ill.

Dear O.L.,

No—no—no! This simply isn't true—it's just another one of those silly rumors that start from who knows where!

Dear FaVE,

I would like to know if it's true that Len and Olivia were removed from the "Wuthering Heights" cast. Is so, why?

Cindy Dolan

Corona, New Mexico

Dear Cindy,

Yes, they were for two different reasons: Len asked for more money and Olivia is still fighting a recurring weight problem.

Dear FaVE,

In your May issue on page 40 there is a picture of Bobby Sherman signing an autograph with his left hand. I always thought he was right-handed!

Dale G.

Cherry Hill, N.J.

Dear Dale,

Bobby is right-handed, and the photo shows him using his left hand because it was "flopped" (turned backwards) by our artists!

Dear FaVE,

Will you please give me David Cassidy's full name, and also his address? (I've looked everywhere!)

Denise Gonzales

Cranston, R.I.

Dear Denise,

David's middle name is Bruce. You can write to him and all the Partridges c/o Screen Gems, 1334 N. Beachwood Dr., Hollywood, Calif. 90028.
