DAVID CASSIDY

Dear FLIP,

I truly love David Cassidy. He is beautiful, and I think David is the best guy you ever put in this mag. How come when you interview him you don't ask him questions like what does he think about drugs, crime, war, etc.?

Coming in next month's FLIP—an interview where David talks about his feelings toward some of those serious subjects!

Dear FLIP,

I get your magazine every month and I love it. But I am sorry to say that one thing could make it better—if you put in more articles and pin-ups of the Jackson Five family. I just got the December issue and there is a small article on the Jackson Five. I love them so much and especially Michael Jackson. I love their songs, "ABC," "The Love You Save," and "I'll Be There." Those three numbers have been my favorites since they came out, and they always will be for the rest of my life.

Hope you enjoy the Jackson Five series that starts next month in FLIP!

Dear FLIP,

This is my first letter to you. I love, love, love David Cassidy! I have 198 pictures of him and 25 articles. (Honest!) In the November issue you printed a picture of him hugging his dog. I kissed it every night and just discovered that the ink is coming off his lips from my lipstick! I'm sick today with a sore throat, and when I look at those 198 pics on my wall it relaxes me and makes me feel better.

Dear FLIP,

A little while ago I watched the first "Partridge Family" show. I just had to write and tell how much I like it! Well, I hope David Cassidy reads this, because I think "The Partridge Family" is absolutely great, fabulous, wonderful! There aren't words to describe it. I know the show will be a big hit. Please print my letter, because anyone who hasn't watched it, I want them to turn on the TV next Friday and watch it.

Dear FLIP,

I wish people would quit comparing Bobby Sherman and David Cassidy. They're two altogether different stars. Why can't people like them both? I do!

Dear FLIP,

I just love Susan Dey. I think that is every girl looked like her, us girls wouldn't have much to worry about anymore! Please print more articles on her!

Dear FLIP,

I'd like to tell you how much I loved the color picture of Three Dog Night in your December issue, but it is utterly impossible to put the way I feel into words! All I can say is "thank you," and that I'm glad that at least one magazine is hip to this really fantastic group. Please continue to have stories and pictures of them in FLIP.

Dear FLIP,

Three cheers for Ali from Ohio and Vicki Thompson from Vancouver, Washington (December FlipFlap)! When I saw the Grass Roots in person, I was chewing up the program, I was so excited. Rob Grill was so cute. He waved to me. They put on an outasite concert. Anyone who doesn't like them and opens their mouth and says so is going to get bopped. My mother wouldn't let me get on stage and ask for Rob's autograph, 'cause she was afraid I'd scare him. I over-react. Rob Grill is mine mine mine mine, all mine.
