

YOU CAN MEET DAVID!

There are many places around town David goes to frequently for work and play! On the following pages are actual photos and exact addresses for many of the private places Da-

vid spends his time! If you're lucky enough—and truly dedicated to meeting David—you just might find him some day at one of these places!

DAVID STOPS BY The Laufer Company to visit his friends at FaVE and Tiger Beat. Sometimes he writes his exclusive columns or special stories here, at 1800 N. Highland Avenue, Suite 601, Hollywood, California 90028!
