60. Are you going to let Sheesh have more puppies?

No, we just had her spayed.

61. How did you like the first issue of the Partridge Family Magazine?

I liked it very much, it was a lot of fun to look at and it brought me back to a lot of things we did on the set that I had forgotten.

62. Did you always write your name with that funny d?

I had no idea it was funny! I guess I didn't always, but I can't remember when I started.

63. Do you like the ocean?

Yes, I love it.

64. Do you go skin diving?

Yes, and scuba diving, off a scuba boat.

65. What colors do you like to see on women?

It all depends on what mood I'm in, what she's like.

66. How has success changed your personality?

I think I appreciate my fans more. The reason I am where I am is because of them, but I like to think of them as individual people, not as fans. I appreciate the whole thing.

67. Do you have a secret ambition no one knows about?

I suppose I have a lot of them, but no one will ever know about them if they're secret, will they?

68. Have you ever been jealous of anyone?

I don't think so. I had my share of idols, I loved Mickey Mantle. When I was about 8 he was my hero, I suppose I was jealous of him in a sort of admiring way.

69. What is the first thing you want to know about a person?

Oh, I guess it all depends upon who the person is. I don't know. I suppose I want to know if they like me. Everybody wants to be liked.

70. Do you have a favorite flower?

Not really. I like them all. I don't know the names of flowers.

71. When is the last time you cried and why?

I'd rather not talk about it.
