

80. Do you have a weakness for anything?
Not that I can think of.

81. Do you have a favorite perfume?
Um, no, I don't think so.

82. If you feel hostile towards something or someone, can you cover it easily?
No, I can't. I can't cover myself up that way. People know when I'm up or down. I'm a give-away. It's just there, written on my face or in my eyes, or maybe in my entire attitude.

83. How do you feel about going on tour, giving concerts?
I think I'd really love that. I like to travel and it would be tremendous to get out and meet some of my fans.

84. Do you believe in being completely honest?
Sure, but then again there are times when you can't. I could rap on about that for hours. Sometimes you have to tell the truth just to some extent. If I can help it I try to tell the truth. When you're dealing with human beings though, there are some things they don't want to hear.

85. Do you run away from problems?
Every night. I'm the biggest escape artist there is.

86. But they come back?
Yea. I try to solve my problems, I usually face them.

86. Are you a romanticist?
Definitely!

88. Are you a loner?
Yes. I've always been. I like being alone. I've got my roommate Sam, but we hardly talk to each other. I go my way and he goes his. We're good friends.

89. Are you a playboy?
I don't think so, but girls do turn me on!

90. Have you ever given a party?
Not recently. I think the last one I gave was when I was in the 7th grade. I can't remember what it was for.

91. Have you ever been stood-up?
I don't think so. I can't recall.
