SMALL WORLD

I just found out something really wild! My girlfriend's brother-in-law's cousin married Jonathan Frid's brother! Does that mean I'm related to a celebrity? Life sure is confusing, isn't it?

BAD REVIEW

We have heard the Cowsills records and read about them in FaVE, but we had not seen them perform until "Get it Together" and the "Tonight Show." They were terrible! The only one who displayed any showmanship was Susie. Bob wasn't too bad. Barry and Paul at least tried unsuccessfully. John looked like a complete zombie! Mini-mom needs maxi singing lessons. I'd suggest they either brighten up their act or they'll be tearing down their popularity.

ONLY ONE THING LEFT

In the Sept. issue of FaVE I read "Could Your Fave Love You?" Well, my fave is Bobby Sherman and I'm exactly like the description of his type of girl. Gosh, now all I have to do is get around to meeting him!

DREAMY GUY

I accidentally turned on "Upbeat" on the TV and I almost fainted! I was looking into the eyes of handsome David Cassidy. I almost died when I heard him sing "I Think I Love You." I'm convinced that David's going to be a bigger smash than Bobby!

FABULOUS FRID

I think Jon Frid is tops! Whenever I see a picture of him I feel like I'm on cloud 9. He is the first thing I think of when I get up and the last thing I think about when I go to sleep. I had a dream about him that we met and he kissed me. I wish it would come true!

SUPER CLOTHES QUIZ ANSWERS — Con't. from page 15

1. c. Rick Ely ("The Young Rebels" dress just like men did in the Revolution. "But did they get as hot as I do?" Rick sometimes wonders!)

2. b. David Cassidy (remember... the Monkees wore dark blue too. Navy colors show up nicely on television).

3. a. Barry Williams (a tee shirt is great for kicking around the beach at Santa Monica where Barry lives. Most of his friends wear them too.)

4. b. Kurt Russell ("Besides, all my parts call for short hair," Kurt adds.)

5. c. light blue (Bobby likes anything and everything light blue—especially light blue mini dresses on girls.)

6. JACK WILD (he looks groovy in a tie... and also in fringes and leathers.)

7. c. Mark Lester (he digs light blue too.)

8. c. Donny Osmond (he's big on love beads over his suit, shirt or sweater.)

9. c. David Cassidy (you can make a choker just like the one David wears!)

10. c. Kurt Russell (he dresses in sport shirts and matching pants more than in modish shirts with leather vests

or jackets like David, Rick and Bobby wear.)

11. b. Kurt Russell (Jack and David haven't decided what they'll wear when they marry... "Probably I'll go bare-footed," Jack said laughing.)

12. c. David Cassidy (he'd probably wear a leather jacket too... he's not sure he still owns a suit!)

13. c. Jack Wild (he wore the top hat in "Oliver.")

14. b. Bobby Sherman (most are brown or grey and they all look smashing!)

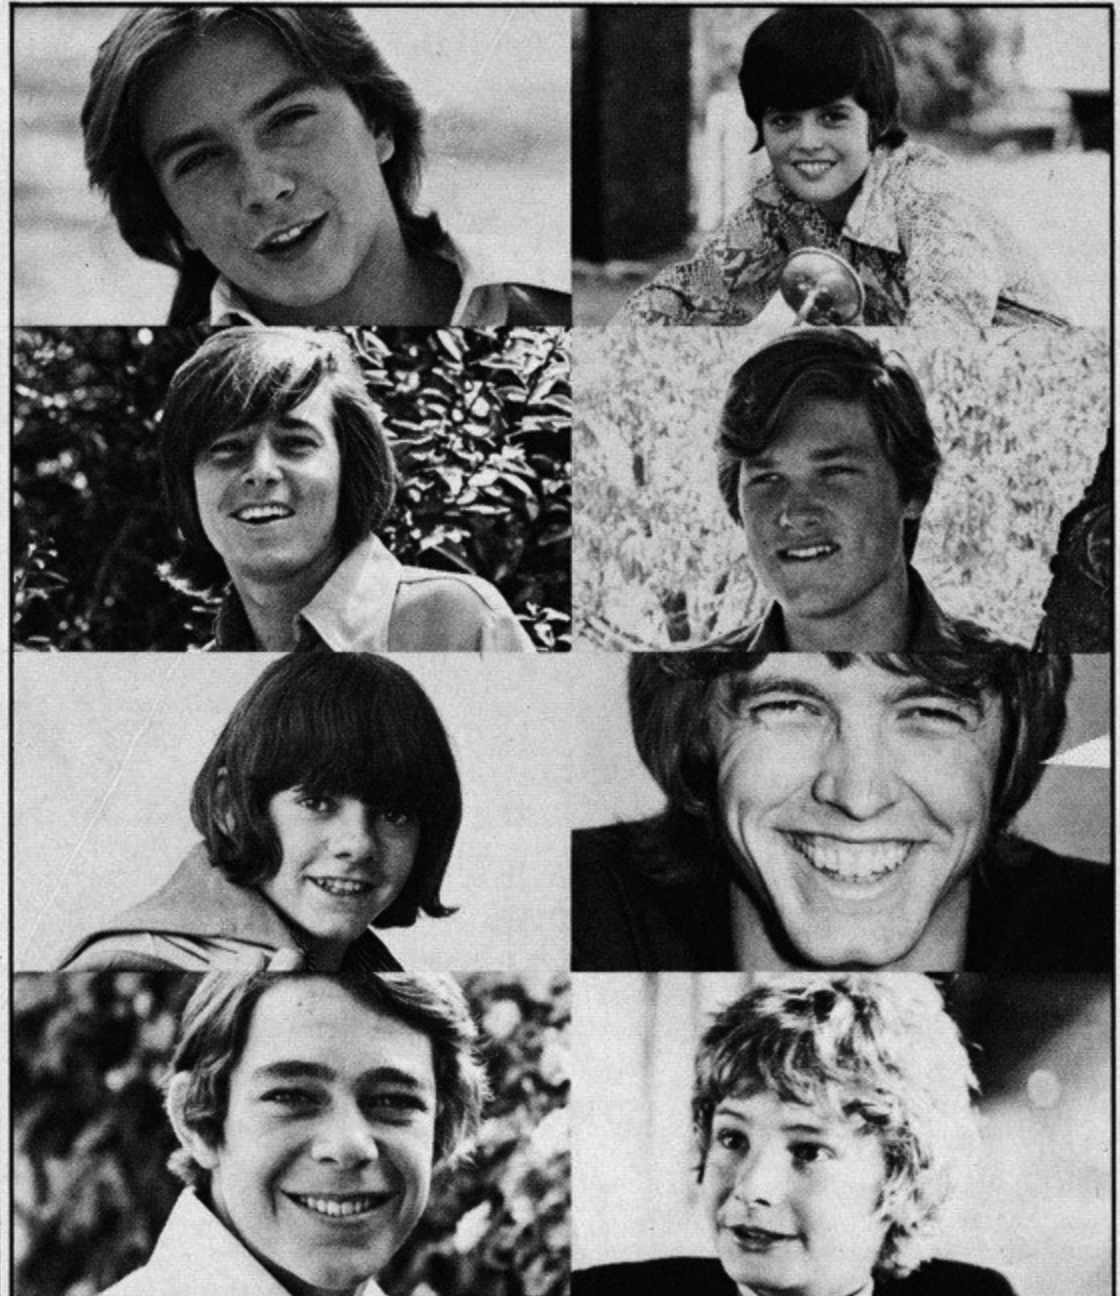

15. h. Jack Wild has the longest hair (Bobby came in second by a hair—ha ha!)
