Dear Susan,

You've got such a lovely complexion I was wondering what you use on your skin? Should a person use soap? My girlfriend says I should clean my face with cold cream, but I don't feel like it's clean without using soap!

Claudia Winner
Fullerton, Calif.

Dear Claudia,

Never, never, never use cold cream! It's icky stuff unless your skin is so dry it looks like the Sahara Desert! Use soap, but buy a special complexion type, formulated for delicate face washing. Neutrogena, Noxema, Clearasil, Clinique, Phisohex, are all good brands to look for! Remember to wash your face at least twice a day, too!

Dear David,

I think your series is really great! What I would like to know is what shows did you star on before you got the role of Keith on "The Partridge Family?"

Paula Simmons
Rutter Fort, W. Va.

Dear Paula,

Thanks for the kind words, I'm really glad you like the show! Before "Partridge" I did guest star roles on "Marcus Welby, M.D.," "Adam 12," "Medical Center," "The F.B.I.,"

Dear Friends,
I can't tell you how happy your letters make David and me. We have so much fun answering them personally right here every month that we hope they never stop! Remember, if you have any questions be sure to send them to us right away! We love you!
Susan

"Bonanza," and I had a small part in "The Survivors." I was on the "Dating Game" once too, and that was a lot of fun!

Dear Susan,

My boyfriend hates midis and I want to wear one. Should I pay attention to him and not wear one or go ahead and dress like I want?

June Carter
Taylor, Mich.

If I were in your shoes, I would see if there wasn't some way my boyfriend might like the midi a little—with boots maybe, or western style. But if he didn't—I wouldn't wear one. After all, don't you want to please your man?

Dear David,

Are you a friend of Kurt Russell? If you are, could you tell me something about him?
