

**GUEST STAR RAY BOLGER** played Grandpa Partridge, who wanted to join the act! David and all the members of the Partridge Family enjoy working with different guest stars each week, who give the shows a different twist.

Dear Donna,

I'm sorry to say I don't know Kurt personally, but those who do just can't seem to say enough nice things about him! I hope I get the chance to meet him soon. He's got a great new movie called "The Barefoot Executive" and I plan to check it out!

Dear Susan,

Gee, I think you're beautiful. How do you get your eyes to look so groovy?

Candy Barten  
Ogden, Utah

Dear Candy,

Gosh, thanks for the compliment! All I wear on my eyes is a touch of mascara and a bit of shadow on the lid. I like the natural look and I've got such long eyelashes of my own I don't need to wear false ones. But if you want your lashes longer, why not try the new little demi lashes? They look great if you put them on right—just follow the directions. If you don't want to wear false lashes, what about the lengthening mascaras like "ultra lash" or "fabulash"?

Dear David,

First of all I want to tell you that

**SUSAN DEY IS VERY INTERESTED** in world affairs and it's not unusual to find her combing the morning newspapers on her breaks from filming. She's a very intelligent girl and hopes to be able to go to college someday.

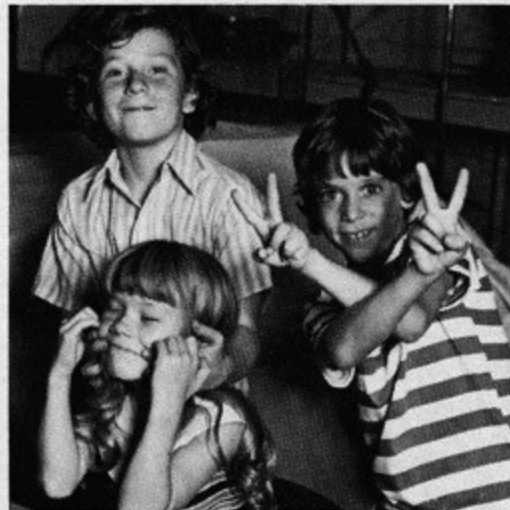

I watch the "Partridges" every Friday. I've even stayed home from the school football games so I wouldn't miss it! I sent away for Tiger Beat's book called "The Secret of David Cassidy" and when I got it I was completely knocked out! It's super great. What I want to know now is, are you going to have a fan club?

Ronda Lindsay  
Chicago, Ill.

Dear Ronda,

Wow! I'm thrilled that you liked "The Secret of David Cassidy" so

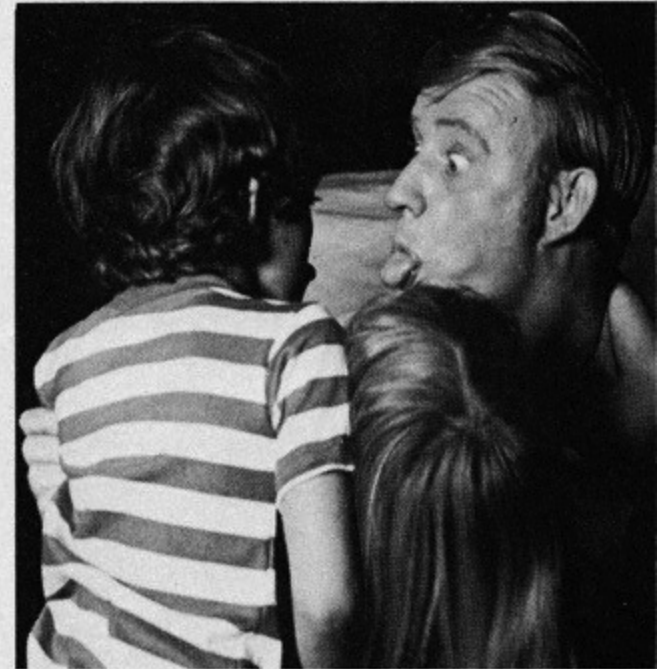

**ALWAYS CLOWNING TOGETHER**, you'd be surprised what good friends Jeremy, Danny and Suzanne are!

much! I had lots of fun helping Editor, Ann Moses get it all together. She came down on the set and spent a whole week interviewing me—in between filming that is! The Partridge family does have it's own super groovy fan club and you can join and get all kinds of exciting things. Just check the coupon on page 23! Again, thanks for watching the show!

Dear Susan,

A friend of mine and I were looking through a "Penneys" catalog and

**EVERYBODY'S BEST FRIEND** is Dave Madden who's constantly cutting-up with the Partridge kids, above!

we thought we saw your picture. Was it you or someone else?

Terry McLaurin  
Morven, N.C.

Dear Terry,

Yes, it was me!

Dear David,

The "Partridge Family" is my favorite show. I would like to know if you really enjoy doing the show because I'm sure it makes you very busy and tired? Do you mind the hard work?

Rosemarie Zacchi  
Bethpage, New York

Dear Rosemarie,

I don't really mind the hard work because it really isn't work! I love acting, and though I do get tired and don't have much free time—I love it!
