# FaVE FLASHES

BY JOHNNY JASON  
CONTINUED FROM PAGE 45

OSMOND BROTHERS have been asked to become regulars on the GLEN CAMPBELL show in the fall. They haven't said yes, but they haven't said no either... CHAD EVERETT from "Medical Center" and his wife SHELBY GRANT are expecting their second child in August... "Dark Shadows" fans will be thrilled to know that their heros will soon be on the big screen again. Since "House of Dark Shadows" was such a big success last year's producer DAN CURTIS is eager to start another. He's going to direct this second edition which begins filming this month. The new one is called "Curse of Dark Shadows"... Another big screen pic you'll want to catch is underway in Spain. It's called "Catlow" and stars your ex-"Star Trek" ex-"Mission Impossible" love LEONARD NIMOY... Moving right on to the little screen (boob tube, that is) production began this month for the fall season's "Marcus Welby, M.D." SALLY FIELD will star in the first episode

PATTY DUKE AND DESI ARNAZ, Jr., shocked Hollywood with their romance. What will happen next?

called "I Can Hardly Tell You Apart" so be sure to mark your calendar... WARREN BEATTY, MICK JAGGER, TOM JONES and PETER FONDA were among those listed in a British magazine as the 10 best dressed men... FRANK SINATRA may be of another generation but I thought you might be interested in knowing that he's announced his retirement from show business. FRANK gave his reason as needing time for reflection, spending more time with his family and friends and "perhaps even teaching." We wish him both luck and happiness in whatever he chooses... The OSMOND BROTHERS' television special finally aired and it came off pretty good. However, I seriously think the OSMONDS would have had a better show if they had eliminated their guest stars and carried it on their own—they are capable of it. Little JIMMY OSMOND was a delight and the family proved once again how versatile they are. It doesn't look however like the boys will be having a show of their own as CBS didn't pick up the contract option when it expired... Since we started

DAVID gave his first concert in Seattle, Wash., and this is the costume he wore. What do you think?

out talking about DAVID CASSIDY and his concert I guess we'll end that way too. I just wanted to put in my two-cents worth about his costume, and it's simply this. He should forego outfits like the one he wore—loose fitting shirt and fringes and beads—and dress more casual in levis and a body shirt. You know, something that compliments rather than detracts from his person. But that's just my opinion—let me know how you feel about it, ok?
