Dear Susan,

How do you keep your hair so pretty? How many days a week do you wash your hair? When I see you on TV your hair and you look so pretty. I'd like to know because I have long hair.

Jeannine Lepore
Saddle Brook, N.J.

Dear Jeannine,

I really don't do anything too special for my hair except brush it a lot. I try to give it 100-200 strokes a night and I usually wash it every night, or at least every other. But my hair's oily so the washing doesn't dry it out. I'd suggest you wash your hair at least twice a week, use a good conditioner and brush, brush, brush! Thanks for writing and I hope you'll write again!

Dear David,

I noticed in recent pictures of you that you don't wear your blue ring anymore. What happened to it and what's the story behind the new ring?

Bonny Turner
Nashville, Tenn.

Dear Bonny,

The ring I wear now—the gold one—was a Christmas gift from my dad. It's inscribed on the inside "Life, Love and Happiness, Dad."

Dear Susan,

I really do like your show. How old is Danny? My mother loves him and so do I. And, I would like to know something about David. Is he in LOVE?

Gina McKinley
Bucyrus, Ohio

Dear Gina,

I'm glad you like the show and so is Danny! Danny's 11 years old. As for David, yes, he is in love. Not with one particular person, but with the joy of living among beautiful people like you!

Dear Susan,

Every girl in our school thinks David is the perfect guy. You are always so lucky. How come you don't go after him?

Jo-Ann Fergie
Feeding Hills, Mass.

Dear Jo-Ann,

I agree with you! I think I'm lucky to know David, too, but we're just good friends. That's the way it just happened and both of us are glad because it makes working together fun. David's a great friend.
