**Hello — and welcome** to my wonderful new home! Hidden somewhere high in the Hollywood Hills is this huge, rambling, Spanish-type house with flower gardens, swimming pool and all. Come on in and I'll show you around.

First stop is the living room. It has a panoramic view of a grand sweep of the hills of Los Angeles. That's my buddy "Sam" curled up beside me.

Wouldn't it be great if we could turn back the hands of time? Well, I've got news for you—on this old school clock I can!

Supper time for "Sam"—and since he can't sing for his supper, I think I'll have him do a little dance for it! That a boy, Sam—up, up!

Time out to change shirts, and then—now let's see, how do you think this old family crest looks hanging on this brick wall in the game room?
