

# TELLY TIME

**CONGRATULATIONS** to handsome **Jim Brolin** for winning a coveted Golden Globe Award as "Best Supporting Actor, TV"! Jim's a super-talented actor and well-deserving of the honor. Watch for him to make his singing debut soon on Universal Records! Meanwhile, Jim did a guest spot on ABC's *Love, American Style* and on *The Dick Cavett Show*. Somehow, Jim sandwiches in the time to work with his prized horses. As a matter of fact, one of his Appaloosas, "Sanstorm", just won first prize in the first Appaloosa horse show in California — so congrats again, Jim!

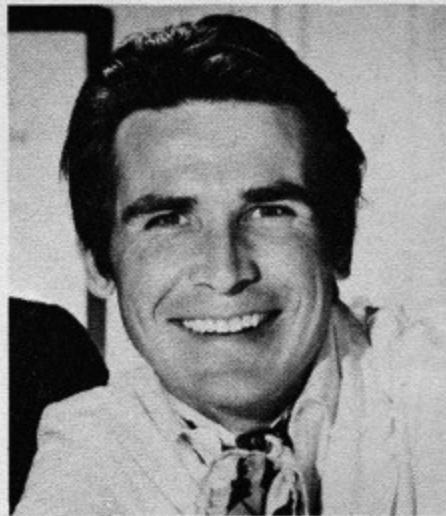

That other super-good-looking medical man, **Chad Everett**, has been doing some guest appearances lately too. Sure hope you caught him on CBS-TV's *The Merv Griffin Show* when he chatted about football, basketball — and the power of positive thinking! Look for Chad to co-star with his actress-wife, **Shelby Grant**, in a forthcoming episode of *Medical Center*.

Taking two weeks off recently for some sunning and funning in Hawaii was the star of CBS-TV's *The Interns*, rugged **Chris Stone**. Seems like those gorgeous islands lure lots of the big stars there — like **Rick Ely** and **David Cassidy** — when they want to get away from it all. Chris has been looking over several movie scripts, so you'll probably be seeing this TV fav on the big silver screen sometime soon!

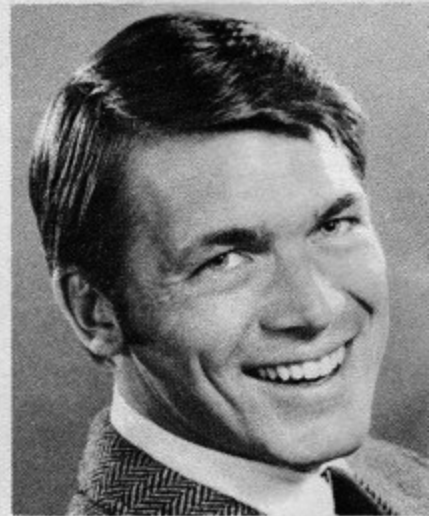

**Quick Takes:** No sooner did **Mike Cole** wind up this season's filming of *Mod Squad* then he went right into production of his first ABC Movie Of The Week, a science fiction thriller called "The Day They Took The Babies Away." It'll be aired early this fall — and if that isn't somethin' to look forward to, what is?! After filming, Mike will take a vacation, traveling to Canada, Mexico and maybe Honolulu. So any of you 16-ers out there who think you see a gorgeous guy who looks like Mike Cole — you're right! . . . . Congrats to fellow *Mod Squad*-er **Peggy Lipton**, who won a Golden Globe Award for "Best TV Actress" in a dramatic series! Peggy's off to Rome for a month of sight-seeing and fun! . . . . Sure hope you all caught *Brady Bunch*-er **Maureen McCormick** when she played ABC's *The Dating Game* a while back. She had a fab time and can't wait to play it again! Another *Brady Bunch*-er, **Eve Plumb**, has embarked on a solo singing career with her first RCA single *How Will It Be?* Grab yourself a copy and give a listen — she's good! Eve will still be singing with all *The Brady Bunch*-ers when they record as a group again.

Didja catch favs **Frank Webb** on a recent episode of CBS-TV's *Lassie* and **Kurt Russell** on ABC's *Room 222*? They were both terrific! By the by — *Lassie* and NBC's *Wild Kingdom* will not be back on TV next season, cos of a new Federal ruling that limits the networks' air time. They're both outstanding shows that will be sorely missed by many. . . . Congrats to **Alex** (*The Young Rebels*) **Hentleoff** and his wife on the birth of their baby girl, **Allison**. . . . And also to **Zalman King** for being voted one of the "Most Promising New Stars" in the 21st Annual Poll conducted by editors of TV magazines.

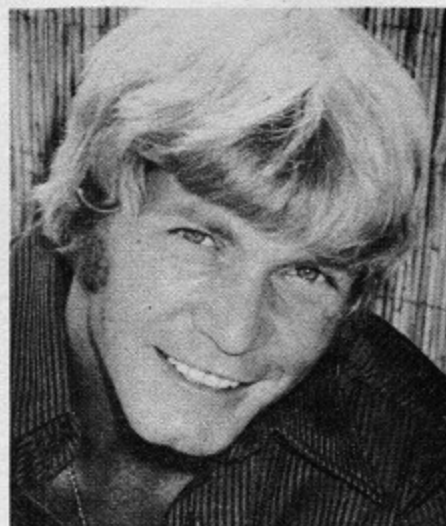

Looks like ABC's *Room 222* has to scout around for a new high school for filming. It seems the recent California earthquake did irreparable damage to historic Los Angeles High School, where *Room 222* and the old *Mr. Novack* series were filmed. In the fall, it'll be a different high school you'll be seeing in the background. . . . In the "don't miss" department is **David Soul** on ABC's *Dan August* and **Robert Lipton** in NBC's *World Premiere: Year 1*, a made-for-TV movie which also stars **Sally Field**. And did you see Robert in a recent segment of ABC's *Marcus Welby, M.D.* — he was great! . . . . Also not to be missed is NBC's *Wonderful World Of Disney*, cos some real goodies are lined up. On May 9 and May 16 you can see the two-part "Emil And The Detectives", starring a young **Bryan Russell** — yep, the same Bryan you recently saw in Disney's "The Adventures Of Bullwhip Griffin"! Then, on May 30 and June 6, watch for **Mark Lester** in a repeat of his two-parter, "The Boy Who Stole The Elephant". And shame on you if you missed the recent repeat airing of "Kidnapped", which was fantastic!

Mystery Pic

Isn't **Steve Brooks** super-handsome?! And what an actor! Steve has really put in some terrific dramatic performances on CBS-TV's hit series *The Interns*. Why not tell him how great you think he is by dropping him a note at CBS-TV, TV-City, Hollywood, California 90028. . . . Sure hope you've been tuning in ABC on Wednesday nights at 8:30, cos that's when **Ronny Howard** does his stuff on *The Smith Family*. And what a professional he is! Currently in the tenth grade, Ronny looks forward to going on to college and then getting into the directing and producing end of show-biz. Don't fret, though, cos Ronny has no intention of ever giving up acting — he wants to make movies and do TV shows for a long time to come!

This month's **Mystery Pic** is the talented banjo and guitar player (recently turned singer) who is a regular each week on CBS-TV's *The Glen Campbell Goodtime Hour*.
