## SIDE ONE:

### I'LL MEET YOU HALFWAY

**(FIRST VERSE)**

Will there come a day when you and I  
can say  
We can finally see each other?  
Will there come a time when we can  
find the time  
To reach out for one another?  
We've been travellin' in circles such a  
long, long time,  
Tryin' to say hello—ho!  
And we can just let it ride,  
But you're someone that I'd like to get  
to know.

**(CHORUS)**

I'll meet you halfway,  
That's better than no way,  
There must be some way to get it together.  
And if there's some way, I know that  
some day—  
We just might work it out forever.

**(REPEAT FIRST VERSE AND CHORUS)**

Will there come a day when you and I  
can say  
We can finally see each other?  
Will there come a time when we can find  
the time  
To reach out for one another?

I'll meet you halfway,  
That's better than no way.  
I'll meet you halfway,  
That's better than no way.  
I'll meet you halfway,  
That's better than no way.  
I'll meet you halfway,  
That's better than no way.  
I'll meet you halfway,  
That's better than no way.

### YOU ARE ALWAYS ON MY MIND

Wake up in the morning—feelin' all right,  
'Til I recall you've gone from my life,  
And I stare like a dummy against the wall.  
Since you've been away—oh, yes—  
I am uptight,  
It's a fact of my life I guess I'll try to fight.  
I could be so good for you if I had that  
right,  
If I had that right.

**(CHORUS)**

You are always on my mind.  
Have I got to go through this old life  
Day after day and find you there on my  
mind.

**(REPEAT CHORUS)**

I don't understand you at all, but I don't  
care.  
There's still a lot of good love in our lives  
for us to share.

You might think it's sad, but I'm together  
now.

Yeah, you laugh, huh?  
I know it's true—I'm much better now.  
You oughta come on by and see for  
yourself  
Just how—I'm much better now.

### DOESN'T SOMEBODY WANT TO BE WANTED

I go downtown and roam around,  
But every street I walk—  
I find another dead end.  
I'm on my own but I'm so all alone,  
I need somebody so I won't have  
to pretend.  
I know there's someone just waiting  
somewhere,  
I look around for her but she's just  
not there.

**(CHORUS)**

Oh, doesn't somebody want to be wanted  
like me?  
Where are you?  
Doesn't somebody want to be wanted  
like me?  
Just like me!

I'm runnin' free, but I don't want to be.  
I couldn't take another day like yesterday.  
I'm dead on my feet from walkin' the  
street.  
I need somebody to help me find my way.  
I gotta get out of this town—  
Before I do—I'll take one last look around.

**(REPEAT CHORUS)**

**(INTERLUDE—DAVID SPEAKS:)**

You know, I'm no different from  
anybody else.  
I start each day and I end each night—  
But it gets really lonely when you're by  
yourself.  
Now, where is love?  
And who is love?  
I gotta know!

### I'M HERE—YOU'RE HERE

**(CHORUS)**

I'm here—you're here,  
I don't care where you been before.  
You're the sweetest thing I ever saw.  
What could you do—what could you say  
To make me want to go away?  
I know I know I never wanted anyone  
more.

**(FIRST VERSE)**

Baby, you know if I go it's gonna be  
a long walk home,  
And a pretty thing like you shouldn't  
spend her time alone.  
No—shouldn't spend her time alone.  
And I know that you'll be sorry if I'm gone.  
Hearts beat, we know what we're sayin',  
Don't run away,  
Eyes meet, why are we playin'  
All those games that children play.

### UMBRELLA MAN

Your world is cloudy, blue skies turned  
to gray.  
Raindrops are fallin', but why stop and  
call it a day?  
There'll be no stormy weather as long as  
you're with me.  
Our love's so together, girl, I love you—  
You can depend on me.

**(CHORUS)**

I'll be your umbrella man,  
Shower you with all my love.  
Umbrella man, shelter you in my lovin'  
arms.  
Umbrella man, heaven help me child  
you know  
I love you (love you, love you, love you).

Too many night of love have come and  
gone  
(I can love you more)  
That's all behind us, girl, I know we can  
get it on.

(We can get it on)  
Well, I want your love to be always close  
at hand.  
You're heaven sent to me, we can make it,  
girl—I know we can.  
(I know we can).

**(REPEAT CHORUS)**

Yes, I do,  
Ho, ho (love you).  
Said I love you.  
Said I love you.  
(I love you, girl).

**(REPEAT CHORUS AND FADE OUT TO END)**

### LAY IT ON THE LINE

I don't have to explain what's on my mind,  
Gonna show you—show you—gonna make  
you mine.  
Ain't no mountain too high to climb,  
Show you—show you—gonna take  
the time.
