He wore a body tight, flared pants white cowboy suit, leather laces dangling from his arms and legs, a purple scarf matching a long tassled sash belt as well as his unchanging long side burns. **ELVIS** sings his usual "Heartbreak Hotel," "Love Me Tender" and "Blue Suede Shoes" then goes into "Sweet Caroline," "Get Back" and "Something" to mention a few. He closes with "Impossible Dream" a stunning and dramatic number that proves that **ELVIS**, sideburns and swivel hips aside, is still one of our nation's great white blues shouters and one of the most eloquent pop and country singers, too... **ROD MCKUEN** has been signed to compose the score and sing the theme song for "Scandalous John," a Walt Disney western starring **BRIAN KEITH**... Nine of the 10 tunes in the album were written by the group during a recent tour... **The JACKSON FIVE** are now a street, or I should say a boulevard. Gary, Indiana, their hometown honored the boys by changing the name of Jackson Street to **JACKSON 5 BOULEVARD**. The group had returned to Gary to perform two concerts as a special tribute to the Mayor who brought them to the attention of **MOTOWN** records less than two years ago... For some episodes of "Bewitched," the entire cast is going to spook it up in real damp, dark castles... **MARCUS WELBY's** handsome sidekick **JAMES BROLIN** has signed an album contract with Universal Records. However, it is doubted that he will break into song in the operating room... **FLIP WILSON** has finally worked his way to the top of the Nielsen poll, where he belongs. **FLIP** has four children from a previous marriage and he spends a lot of his free time visiting them... **DAVE MAD-**

Although **JUDY CARNE** (remember from **Laugh-In?**) can do many things, she can't seem to shake her "sock-it-to-me-water-target" **Laugh-In** image. While **JUDY** was performing at New York's Plaza Hotel a man in the audience stood up and threw a glass of water at her. So, what did she do? Throw one back. Soon everyone else had joined in and a water-tossing free-for-all followed with police arriving to settle everyone down again...
