

Meet the Winners of FaVE's LOVE CARD CONTEST!

Three lucky girls were on top of the world recently when their original cards for David Cassidy, Donny Osmond and Jack Wild were chosen by these stars as their number one favorites! As soon as David, Jack and Donny finished judging the thousands of cards they received, they sent off their own, personally autographed cards to the happy winners!

Editor LAUDY POWELL poses with JACK'S winning card because he was off in England doing an album! 14-year-old SUSY KIRK, below, says: "I will treasure JACK'S card forever!" Susy lives in Kittredge, Colorado.

DAVID'S card winner is 18-year-old ALECIA SMARTT, from Pontiac, Michigan. "When I got DAVID'S card in the mail," confessed ALECIA, "I screamed three times and my sister fell off her chair! I'm so happy!"

DONNY'S fan and winner is MARIE DEEGAN, who is 16 and from San Diego, Cal. "I've been lucky enough to see the OSMONDS perform several times," MARIE wrote, "and DONNY is the guy who always caught my eye!"
