

The Girl DAVID D Could She Be YOU?

What is she like, you've asked yourself over and over again! David has said that there isn't any special girl in his life. He has also admitted that he'd like there to be! But where does that leave you?

Just say that you did get the chance to meet David - it is possible, after all! Would he notice you? Like you enough to ask you for a date? Why not find out right now!

FaVE's editors went through hundreds of things David has said about girls in his interviews before coming up with the following quiz. After you have answered all the questions, turn to page 56 and see how you rate for the position of number one girl in David Cassidy's life!
