daughters JULIE and TRICIA said the language "shocked" them, the PRESIDENT said, "I am not shocked. It seems rather the in thing."... If you missed NBC TV's First Tuesday program on JANIS JOPLIN, don't worry about it. The show really chopped JANIS, Colum-

bia Records and all the fans down. Seems NBC felt Columbia was releasing JANIS's records because they knew there would be money in it not because they felt she had made a worthwhile contribution to the music scene that should be heard by everyone... FRANK WEBB recently turned in his first public singing appearance at a private party thrown by his agency DON SCHUARTS. The party wasn't for him, but he sang a medley of songs and he's got a great voice. In fact, compared to FRANK some singers who have had Num-

PRESIDENT NIXON liked "Love Story," but daughter Tricia said the language used "shocked her."

DANNY BONADUCE spends a lot of time in Malibu visiting with Dave Madden and two of his biggest fans! Cynthia and Claudia Edson are the daughters of Dave's manager, Marshall Edson. They all love afternoons at the beach!

ber 1 records can't sing at all... Since Hollywood is known for its rumors, how 'bout this one: Did Shirley Jones really kick up such a fuss over competitive Bobby Sherman's pilot spinning off of her "Partridge Family" series that Screen Gems gave her a piece of the action if BOBBY's series sells?????
