ME AND A VERY SPECIAL FRIEND!

Shirley is clocking up air miles between here and New York. Jack Cassidy has been spending a lot of time on the East Coast, so Shirley has to go there to visit him.

We got a letter addressed to the fan club the other day. A young lady of 16 wanted to know if she was too old to join! Never, never, never! Everybody is welcome! Having reached the ripe old age of 17 myself a couple of months ago, I feel that just about any age is the right age for a Partridge-fan-to-be.

PARTRIDGE PEOPLE

At the end of the show every week, you see the words Script Consultant. You also see "Written by." They sound sort of like the same thing don't they? But they are not! The job of Script Consultant on our show, that's Dale McRaven, is to take the scripts sent in by other writers, and rework them to fit the Partridge's personalities a bit more closely!

Dale says that the clock is the biggest enemy of a Script Consultant. It's very hard to be funny, logical, dramatic, and interesting while trying to meet a daily, or sometimes hourly deadline! But on the Partridge set, most folks agree Dale does a great job all the way!
