

Dear FLIP,

If there is one thing I adore it is the Osmond Brothers. I just love them all. But I still like Donny best. Donny is a few years older than me. I love their new record, "One Bad Apple." I get as many FLIP issues as I can. When I find something about them I hang them up in my room. I think Donny is real cute.

OSMOND BROTHERS

Dear FLIP,

We happen to love Donny Osmond. It would make us very happy if you would put a lot more pictures of him in FLIP. We think he's tender, adorable, warm, curious, darling and very, very cute! He's our age. We're his greatest fans ever. We also are hoping you will put our letter in FLIP!

Dear FLIP,

In the April Issue a girl wrote in saying that she had 455 pictures of David Cassidy. Well, I've got 593 pictures of him (not counting the doubles) and 42 articles. Try harder, you girls in Jersey City!

Dear FLIP,

In your April issue, 3 girls say they are David Cassidy's #1 fan. Well, move over! Maybe I don't have 455 pictures, but I cherish the ones I have.

Dear FLIP,

Lately a lot of people have been writing that they are #1 Cassidy Lovers, because they have so many pictures of him. I'm not knocking them, this is simply my opinion. Is how much you love someone decided upon how many pictures you have of him? It's not to me. I think loving someone is a special feeling, not a contest for how many pictures you can collect.

Dear FLIP,

I just finished reading "Your Face-to-Face Day with David Cassidy" in the April issue of FLIP. I wish I could be the girl in that story! It was just fantastic!

Dear FLIP,

In your March issue in the Hollywood column the readers were scolded for not writing to the networks soon enough to save some of their favorite shows. Well, why don't you give us the addresses to write to? I'm sure that many people would like to write in but don't know where to send their letters. For example, NBC is pre-empting "High Chaparral" for seven straight weeks. The specials they are replacing it with are interesting, but it seems to me that they could have spread them out over the weeks, pre-empting other shows, also. I like "High Chaparral" and miss it, but without the address of NBC's Programming Dept. I can't let them know how I feel. Please help us out.

Here are the addresses for the three major networks. Put them in your address book so you'll have them when you need them! NBC-TV, 30 Rockefeller Plaza, New York, N.Y. 10020. ABC-TV, 1330 Avenue of the Americas, New York, N.Y. 10019. CBS-TV, 51 West 52nd Street, New York, N.Y. 10019. Send your letters to the Programming Department in each case!
