

EDITOR'S INSIDE STORY!

One of the most exciting things that happened this month was the many photo sessions we had. They say that good things come in threes and it was certainly true!

The month started out beautifully with our photo session with Bobby! He never looked better—as you can see from the groovy pictures right here in this issue of Tiger Beat Spectacular! Bobby even bought some new clothes for the shooting and he looked fabulous in them!

As usual Bobby was the picture of health and where he finds the time to stay so much in shape is hard to figure out when you think about his busy schedule! Bobby said he was on a health food diet, too, and he works out regularly in the gym!

Bobby also told us the exciting story you'll find on page 27, and you won't want to miss his personal answers to 25 super questions on page 20! Bobby's thrilled to death about the possibilities of his new tv series and he promises to keep you up to date on that!

No sooner had we said our goodbyes to Bobby, when we received a call for the wonderful Osmond Brothers! They were ready for their photo session too, so we all piled into the Osmond Station Wagon and had a swinging ride to the studio.

The Osmonds are really thrilled about the success of their record and their television special which aired last month!

WHAT A GREAT SHOT! As usual, David and TB Spectacular photog. Kenny Lieu take time out for a bit of fun!

They're anxious to find out what you thought about it, so drop them a line in care of this magazine and let them know!

Everybody's got a secret dream and the Osmond's aren't any exception! I asked them about it and you can read their personal answers on page 43 through 47. You'll also find a great color pin-up!

And then came David. Our photo shooting with him got off to a fantastic start—everybody laughing and drinking 7-Ups! David says he's been resting a little more than usual, now that he has some extra time!

Shooting again on "The Partridge Family" begins any day now and David invited our photographer Kenny Lieu and me to come down on the set the first day to get re-acquainted with all the cast and crew!

You can read David's personal story on page 14 and take his own private love quiz on page 12. But most of all you'll want to read the story behind the reason why David moved from his Laurel Canyon Home!

If you haven't seen pictures of David's new home yet, be sure to get a copy of Tiger Beat's Official Partridge Family magazine. The May issue is available at most newsstands, and if you missed it you can order it now by turning to page 54!

But besides the Osmonds, David and Bobby, Tiger Beat Spectacular has many more exciting features for you like Secret facts on all the groovy Jackson-5.

There's also a section on 4 exciting stars on the rise, including Peter Duel and Ben Murphy of "Alias Smith and Jones," and Christopher Stone! Our Editorial Assistant Liz Dagucon spent some time interviewing these guys and learned all sorts of things we're passing on to you!

And all Frank Webb fans won't want to miss the great color pictures of Frank as a blond and as a brunette—plus his own hand-written letter asking you a personal favor!

Don't forget! You can now subscribe to Tiger Beat Spectacular and I'd love to have you as "one of the family!" Just fill out the coupon on page 4 and have this fact pact magazine delivered right to your door!

Be up to the minute with all the fax on all the Faves by subscribing to Tiger Beat and Fave, too! Besides scoop photos and stories you'll find the greatest color pictures of all in these magazines, as well as columns by David and your other Faves!
