

BEHIND the SCENES at TiGER BEAT

Have you ever wondered just how an issue of Tiger Beat is put together? Have you thought about whether or not this star or that fave really wrote the article on which his name appears? I know you have from your wonderful letters and I decided it was time to let you become a part of the actual "putting together" of Tiger Beat. So, in this column every month, I'm going to take you "back-stage" at Tiger Beat:

"DAVID LIVE"—Pg. 30—It was the most exciting night of David's life and, as usual, TiGER BEAT was there! No, I didn't make the trip, because David's first concerts were seen by a select few people from Hollywood. David did invite along TiGER BEAT'S Publisher Charles Laufer and our Editorial Director Ralph Benner and by now his good friend Kenny Lieu. David was very anxious to get their opinions of his concerts. The concerts were kept secret, since it was sort of a "trial run" for David. If the concerts went well, there would be more all over the country. If not, there might not be any more! Well, to say the least, David was a **super success!** Our photog Kenny spent just about every waking minute with David to record it all on film for YOU. Sam, David's best friend, who was in charge of selling David's posters, was there too taking notes for YOU, so that no details would be left out. So, until David comes to your town for an in-person concert, we hope you enjoy the moments we've captured here!

"10 SECRETS BOBBY HIDES"—Pg. 22—This is one story about Bobby Sherman where we **didn't** get the information from Bobby! In fact, it took a lot of "detective" type digging to find out the facts for this feature. It began (over two years ago!) when I received a letter from one of our readers telling of an experience that had happened to her girlfriend. I couldn't use the story then, but I put it away in a special "Bobby file" and held onto it. Several months later I received a small newspaper clipping from a town in Nebraska, telling of an experience another Bobby fan had had. My special "Bobby file" began to fill up and it was recently that I realized that there were **many** touching things that Bobby had done for his fans that his other fans would love to share! So, I put them together for this story. Bobby has never told me these things himself—he's too humble for that. One by one I gathered the stories together and I knew you'd want to know about them. It truly shows that Bobby is Beautiful inside and out!

Marie Osmond, me and Donny.

"MEET MARIE OSMOND"—Pg. 26—You've seen pictures of her many times with her famous brothers, but until now you've never really known much about her. She's 11-year-old Marie Osmond and we thought it was high time you met her! We've known Marie ever since we got to know the Osmonds over a year ago, and now it's **your** turn. This month you'll find out all about her likes and dislikes, her talents in show business and what it's like to have five famous brothers, not to mention several other brothers who are super fantastic people! But that's not the half of it! Starting with the July issue of Tiger Beat (next month) Marie will begin her own Tiger Beat **exclusive** monthly column titled "My Brothers—The Osmonds." She'll fill her column with news and personal stories about Alan, Wayne, Merrill, Jay, Donny and Jimmy Osmond as only someone who **lives** with them could tell! Each month she'll take you on a private journey into their special world. But, for now, we'd just like you to get to know sweet Marie!

So, now you've had a glimpse of how Tiger Beat "gets together" every month, but there's much more in store. I hope you enjoy being a part of YOUR Magazine as much as we enjoy bringing it to you!
