ANOTHER POINT OF VIEW

Every month you get millions of letters from girls telling you what they think of Bobby Sherman. How about hearing a boy's opinion of Bobby? Most boys my age won't admit that he's a famous and talented young man because they're too jealous. But I'm not. He seems like someone who would be a good friend. I saw him in concert and he seemed happy and carefree. Maybe someday when Bobby and I are old and grey, we might sit in front of the old folk's home and girl-watch together. But we'll be pals, and to me that would be outasight!

GIFT TO AMERICA

Wow! People who write in saying terrible things about Jack Wild ought to be horse-whipped! He's the greatest thing that's ever happened to America, and I'm going to keep it that way!

THE TAIL TALE

Recently I took a survey to see how Mark Lindsay's fans felt about his shorn locks. 60.3% preferred him minus the ponytail; 26.8% preferred the tail; and 13.4% said it didn't matter either way. So no matter what you do to yourself, Mark, we'll always love ya!

MAMA'S BOYS?

Is it just your stories or are David Cassidy and Bobby Sherman hopelessly hung up on their mommies? In every story about Bobby he mentions how great his mom is, and now that David's come along, it's the same way with him. It's nice that they love their mothers, but Gawd, this is ridiculous! In a story about Bobby he said he wants to marry a girl like his mother, and in the first part of FaVE talks to David Cassidy he said "What I like is when MOM comes to visit from New Jersey." For crying out loud, it seems like in every story MOM sneaks in there somehow!

I'M MORE SHERMAN THAN YOU!

BOBBY'S GIRL

Bobby Sherman and I have a lot in common. For instance, my eyes are blue, and his are blue. My hair is brown and so is his, and our hair is about the same length. We both like blue a lot, too. So me and a lot of other girls are pretty lucky!
