PARTRIDGE FAMILY NEWS — CONTINUED FROM PAGE 55

I finally got around to asking David about his most embarrassing experience, hoping to write it up for the whole world to see... and he wouldn't tell me! Which probably goes to prove that David has more sense than any of the rest of us!

NEW NEWS ON THE PARTRIDGES

Danny went to Disneyland with Jeremy and the rest of the Gelbwaks. Jeremy and Danny both reported having a great time!

One of David's fans painted a miniature school bus for him... very much like the one on the show. She did a great job, and says she'll make another one.

Danny has a new addition to his dressing room. A coffin. Not a real one, but it looks authentic. Where did it come from? From me. We used it in a school play, and the school had no idea what to do with it. So I took it off their hands, and Danny took it off mine. Thanks brother!

LITTLE KNOWN FACTS ABOUT THE PARTRIDGES

Dave Madden drives a Fiat with a broken window.

Susan Dey's roommate, Jane Joyce, told me that Susan waxes the kitchen floor until she can see her reflection in it. (If I had a reflection like that, I might wax the kitchen floor too!)

Suzanne Crough has a beat-up old Mickey Mouse Doll that she carries around with her. The doll is almost as big as Suzanne, but her family can't get her to part with it.

Jeremy got a bright new gold bike to propel himself around the studio. Look out world!

Danny has started a ring collection.
