WIN THE CHANCE TO TAKE DAVID'S PICTURE IN PERSON!

HERE ARE THE UNBELIEVABLE DETAILS!

All you've got to do is take a prize-winning photo of a star!

Now if you live in New York or Los Angeles or Chicago or Miami, chances are pretty good that you know where the celebrities hide out and all you have to do is wait for 'em, snapping their pix as they come out of hiding!

But if you live in Pierre or Lima or Memphis or San Pedro, chances are pretty good that super-stars don't show up in person every other day! But, don't fret, you've got an equal chance of winning this incredible contest!

Because the prize-winning photo doesn't have to be taken in person! It can be a photograph of a photograph . . . you can take a picture direct from your television set or from a record album cover or even from the pages of FLIP!

The prize-winning photo will be the one that is the most unusual one, in the opinion of the judges. And the judges are four people who know unusual photographs: FLIP's Art director (Carl Opalek), FLIP's Managing Editor (Valerie Berger), FLIP's Senior Editor in Hollywood (Carol Deck), and FLIP's Chief Photographer (Bob Young).

The prize will be as special as the prize-winning photograph: The chance to photograph David Bruce Cassidy in person! (And the chance, as on the page facing this one, that David will point his camera at you!).

The Grand Prize Winner will accompany Bob Young on his next photo session with David, during which Bob takes those exclusive photographs which only appear in FLIP, and take as many pictures as she wants of David!

The runners-up (and the number of runners-up will depend on the number of exciting photographs received) will have their photos published in FLIP and win Cash Prizes of $10.00 each!
