

"But it doesn't really matter, they're just going to see me and say 'You're the kid on television, right?' And they've seen me do this and this and this and this and they're not going to say 'Gee, what are you like personally?' But it's all ridiculous. Most of them won't care anyway. They'll just dig on the fact that they're here next to me and I'm on TV."

That's the way David sees himself and Keith. We think maybe you, the people who read FLIP and watch "The Partridge Family," can prove David wrong. But it's up to you to show him that you do care about him as a person and not just a TV character.

You can write to David and tell him yourself. Here's the address: Partridge Family Fan Club, 6311 Yucca St., Hollywood, Calif. 90028. Don't forget to say: "I'm a FLIP READER!" on the outside of your envelope!
