

# CALIFORNIA CALLING...

Keep up with what's happening out West with our gal, Kathryn Paulsen!

IF YOU saw **THE OS-  
MOND BROTHERS'** special "He's My Brother," and liked it as much as we did, be sure to write a letter to CBS (51 West 52 Street, New York, N.Y. 10019) and tell them how you feel. By the time you read this, a weekly half-hour variety show starring The Osmonds will probably already be in production for CBS. That means you'll be able to see The Osmonds every week in their own show! But just in case CBS hasn't

yet decided to go ahead with the show, your letters might make the difference. It's a good chance for all you Osmond fans to show your support.

There's lots of other news from The Osmonds, who are being their usual busy selves. They've been travelling all over the country—from Denver, where they were doing a commercial, to New York where they taped the Kraft Christmas Show (which I hope you didn't miss), to home, etc.,

Dennis Cole seems glad he served as a judge for the queen of the Artists and Models Ball. He met the nicest—and prettiest—gals!

Singing is one of David's favorite activities. But when he's on vacation, he does some other—and very interesting—things, too!

etc. Their second Chevrolet Special is scheduled for January—be sure to look for it.

And last-but-not-least, they've got a new album out called simply "Osmonds"—it's a real winner! The album includes several original songs by **ALAN** and **MERRILL** and was recorded in Muscle Shoals, Alabama. The Osmonds think the sound they get there is really super and plan to record their next couple of albums there.

If you ask **BOBBY SHERMAN** who cuts his hair, he's liable to answer "Mom." But his haircut isn't a homemade job. His mother was actually a professional hairdresser in Los Angeles. It's sure handy to have her in the family!

Ran into **DENNIS COLE** in West Hollywood. He was going to be a judge in the 10th Anniversary preliminary for choosing a queen of the Artists and Models Ball. Other judges were **GEORGE PEP-**

Elvis has a new title... he's the Deputy Sheriff as well as King!

**PARD, GEORGE MONTGOMERY** and **SUE LYONS**. He looked like he was enjoying his assignment.

The **PEGGY LIPTON-LOU ADLER** twosome appears to be split for good—at least temporarily. Peggy's been seen a lot without Lou—for instance at the party given for "Mod Squad" producer **AARON SPELLING**. Peggy's date was Barry Diller, an ABC vice president. Among the other guests were **MIKE**
