

IT'S COMING! You may get it! It's personal and wonderful and just between you and the star you love the most in all the world! It's the prize of a lifetime!

Imagine getting a package from HIM! Imagine what your heart will be doing as you tear off the wrappings and open it up! Imagine having such a prize to show to your friends, to have during those private moments when you want to be "alone" with him, to have forever as a treasured keepsake!

Imagine all this... and then enter our contest. 'Cause the prize is a personal gift from the star of your choice—just for you!

How to enter? It's easy. Just tell us what star you'd most like to win a personal gift from and then give us one good reason why. Fill out the rest of the coupon, too, and mail it pronto. Chances are you won't be sorry, because you might win a moment—and a prize—to remember!
