

My Unforgettable

I couldn't believe it when I received the telegram saying I had won Tiger Beat's Eye Contest! In fact, I called the Tiger Beat office to make sure it was really true! I guess I

knew it was really happening to ME on that fantastic day I stepped off the 747 jet in Hollywood, California!

BOBBY WAS ILL from all his shots the day before he left for Japan, so we weren't able to meet as planned. So he sent me this beautiful bouquet with a warm hand-written note! Below, I loved meeting Shirley Jones! I have been a fan of hers since I first saw her in "Music Man." We had quite a long talk between breaks and I felt like I was her closest friend!

HAVING LUNCH WITH DAVID WAS SUCH A THRILL! He's a real gentleman and he made me feel so special. We talked all about his show, his records and more! We had lunch at the Yankee Pedlar, but I was so excited I could hardly eat! Meeting the stars of "The Partridge Family" was fun too, because they're all so nice and friendly, you feel at ease right away!

I WAS REALLY LUCKY to be in Hollywood the week the Osmond Brothers were rehearsing for their big television special! They invited me to watch them rehearse and I accepted, naturally! It was so wonderful to see them work, rehearsing a big dance production number. They are so talented, and I don't think I've ever met a nicer group of guys in my life!
