

5 Days In HOLLYWOOD!

BRIDGET HANLEY TOOK ME to lunch at a very beautiful Spanish restaurant in Beverly Hills. She told me all about her expected baby, and I was so happy for her! She's a doll!

DINNER AT THE FAMOUS Villa Capri restaurant with Frank Webb is something I'll never forget! Frank is so handsome and I loved hearing about his work on television.

MY ROOM AT THE TOP of the Holiday Inn was really special! It's a beautiful new hotel right across the street from the Tiger Beat offices. What a great hotel it is! Wow!

I COULDN'T BELIEVE IT, but my second night in Hollywood, I had a date for dinner with Rick Ely! He gave me one of his new albums.

IT WAS REALLY HARD trying to stay calm while sitting next to Rick! His eyes are so gorgeous, and to talk to him is just dreamy. He was so interested in finding out all about me! And to tell you the truth, I'll never forget the tender goodnight kiss he gave me! He's the grooviest guy ever!

AFTER LUNCH WITH DAVID one day, I visited the stars of Laugh-In and watched them tape a show. Below I met Ruth Buzzi dressed in one of her wild outfits for the show!

ARTE JOHNSON IS such a funny man, he had me laughing for the longest time! Watching Laugh-In filmed was fascinating, I can't wait to see the show I saw filmed appear on TV!

VISITING THE TIGER BEAT offices was one more exciting thing I did in Hollywood. All the Editors were so wonderful during my stay, I'll never find the words to thank them!
