TELL IT LIKE IT IS — CONTINUED

Dear Sue and Jackie,

The one who says my eyes can change from hazel to brown is correct! It all depends upon what I'm wearing and how much light I'm under. Although I do put down my eye color as hazel, they do get brown sometimes! Hope that settles it!

Dear Susan,

All the "Partridges" wear such groovy clothes on the show. Do you pick them out yourself?

Pam Gilders
Albuquerque, N.M.

Dear Pam,

I think the clothes are groovy too! Although we sometimes go along with our wardrobe lady to pick things out, we usually leave it up to her. Her taste is so fantastic! Her name's Betty Cox and she does a fabulous job in choosing clothes that are just right for us girls. The boys' clothes are picked out by Harvey Gehard and he does a great job too! Thanks for writing! I'll tell both of them you approve!

Dear David,

Please tell me if this is true. My girlfriend said that you are going steady with her sister! She said that you wrote to her sister asking her to go steady with you. Is it true? Please tell us!

Stephanie Kelly
South Gate, Calif.

Dear Stephanie,

In this column, Susan and I tell it like it really is. You can believe it if you read it here and the answer to your question is NO. I'm not going steady with anyone! In the first place, I don't think I personally know anyone in South Gate, and secondly I would never ask a girl to go steady through a letter! Going steady is something you ask someone to do in a special place at a special time! Besides, if I had a steady girl, my fans would be the first to know!

Dear Susan,

I would like to make modeling a career. I've done it a couple of times and I really got hung up on it. I was wondering if there is a school of modeling you go to instead of college? Also, how old do you have to be? And what height and weight?

Jan Kalden
Huntsville, Ark.

Dear Jan,

Although most models are at least 5'7" and slender, age makes no difference. As for modeling school, I think it's a waste of time and it isn't necessary. Send some nice pictures of yourself, along with personal information, like hair color, height, etc., to one of the modeling agencies in New York. They will contact you if they are interested. Most places that tell you you must take a course first are only out for the money. In Tiger Beat's Official

Partridge Family Magazine, Issue No. 2, I've written a story on how to go about doing commercials for television. I also talk about how to get started in modeling. I think you'll find the information in that story just what you've been looking for! After you've read it, if you still have some questions, write me again, ok?

Dear David,

First of all let me congratulate you on your number one record, "I Think I Love You." Can you tell me when you are going to sing it on the show?

Mike McCraith
Euclid, Ohio

Dear Mike,

I'm really delighted that "I Think I Love You" made number one! The song's already been sung on two shows! The first time was on November 13 in the show about the skunk and the second time was in the "Power of Women" show on December 11. I don't know if we'll sing it again but I'll try to let you know ahead of time, ok? Also, you can watch for it on summer reruns.
